

## Politics Or Christ

## A Kingdom Message To Every American **c**hristian Involved In Politics AND Christ

The truths that you will read in this Kingdom Message are a clear word from God, your father, and the savior of the world Jesus Christ. This Kingdom Message has a warning from God to every politically active christian in this nation. If you are a politically active christian, I urge you to read this message, re-read it, and repent. This message will make you ashamed of your political behavior if the Spirit of Christ is in you. I pray that God will give you the gift of repentance and put you on your knees. May He spare your soul from damnation. I am a prophet of the Most High God.

I am not numbered among the false winds and voices that you hear today. Many say they are prophets of God. They are liars. Judge me, bring the lying prophets and stand them before me. The words I speak are Truth from the Spirit of God, and you will not find a lie. I am sent to you with a warning from the Creator of Heaven and Earth. This is a Kingdom Message from God. Take heed what you hear. Judge me to be from God, or satan, find one lie.

You will notice that I use the small letter **c** when I use the term political christians. I do this by command. If you are a political christian, you are void of a genuine reality of Christ. Do you realize the bible has many serious eternal warnings about your political involvement as a christian? What does the bible say about you?

### Using only scripture

- Not a single politically active christian,
- Political pastor
- Political biblical scholar
- Political christian lawyer
- Political christian organization

Will be able to disprove any of the truths within this Kingdom Message. This entire Kingdom Message speaks **ONLY** to the religious right in this nation from biblical scripture. While I must speak about many moral issues, it is not my intention to condemn anyone or to judge anyone. Any judgment or conviction you may feel is a result of the conviction of the Holy Spirit according to scripture.

To every governmental leader, I urge you to read this message because you can change the direction of the nation. I promise solid biblical answers for abortion, gay rights, prayer in school, and any other “Moral Equal Rights” issue plaguing this nation.

To every woman that has had an abortion and faced the condemnation of the religious right, my heart goes out to you. I know that you have personally experienced the highest form of hypocritical Christianity. I am a Christian, and I find them just as offensive.

To every person with a different moral lifestyle that has suffered the condemnation of the religious right, please read this Kingdom Message. You are not crazy. These men and their condemning judgmental words about your personal moral lifestyle do not speak for the heart of God. I hope that as ordinary citizens of humanity, we can all gain an understanding of the dangerous mixture of Religion and Politics.

**Influence:** A power indirectly or intangibly affecting a person or a course of events. The Power to sway or perfect – based on prestige, wealth, ability, or position. A person or thing exercising such power. (Webster’s Dictionary)

The word *Influence* has become an actual commodity and a tangible asset used by those who have mastered the intelligent art of using influence on humanity. *Influence* is the driving force behind nearly everything in our lives. More than any other time in history, the power of Influence in the hands of people with power and money yields significant benefits for them. The vast majority of the media, business, religion, and politics have long since mastered the art of how to use the power of influence on you. These wise purveyors are keenly aware that unless they *influence the masses* that you will not buy, vote, watch their show, or attend their church.

Today in this high-tech worldwide social media madness, it is easy for someone to influence any number of people quickly. Especially if that person has the money and power to back up their ideas. It is very easy for social media to bring public opinion into focus on any given subject almost overnight. Be it the truth or a lie. It is also possible for any select group with enough financial backing to get their influential personal agendas before public opinion in a hurry. WARNING! Social media has become the public opinion center, where the collective human conscience of the entire world, decides what is right or wrong instantly. Social media is a cesspool of ungodly opinions. Truth does not lie, nor does He stand in the public opinions of men. If you are a Christian – untether yourself.

# Can make you famous or destroy someone’s life in just a matter of seconds. People are using Influence and opinion as a tool to destroy lives with untruths. It no longer matters if the truth is being told or not. Just write a headline that defames the president, even if it isn't true. Influence! Just write another headline that says this man did this to me 25 years ago. Influence! Just write another headline; he's a racist. Influence!

- **Influence:** A power indirectly or intangibly affecting a person or a course of events.
- The Power to sway or perfect based on prestige, wealth, ability, or position.
- A person or thing exercising such power.

***READ THIS CAREFULLY:***

Today, after two thousand years, with deep emotion, I recognize more profoundly than ever before the fact that it was for this that He had shed His blood upon the Cross. As a Christian, I have no duty to allow myself to be cheated, but I have the duty to be a fighter for truth and justice... And if there is anything which could demonstrate that we are acting rightly, it is the distress that daily grows. For as a Christian, I have also a duty to my own people. – Adolf Hitler, in a speech on 12 April 1922

Throughout history, the moralistically superior, self-righteous religious protectors of human morality are responsible for the world's most devastating events. Millions have been murdered, tortured, and burned alive in the name of God by numerous Popes, and religious leaders with a moral, religious agenda for society. In Christianity, it began with the first Christian martyr Stephen in the book of Acts. Through the centuries, when religion had political power running through the blood of a man, they killed their own, and any other dissenting voice in the name of whatever God they served.

America is full of some of the most dangerous moralistic drumbeaters the world and history have ever seen. These moralistic drumbeaters know how to use the *Power of Influence* as a tangible commodity on the flesh of self-righteous “political” christians. Like the rats that followed the Pied Piper out of town, political christians are blind, deaf, and dumb to the real motive of these religious Pied Pipers.

All of the influence that you encounter in this life will have only two purposes. The primary objective is to influence you for money, and the other is to motivate you into some behavior or action.

America has over 300,000 politically active preachers. Make no mistake about it; they are out to see that “Christian Values” are instilled within the government. “This nation is going to hell in a handbasket unless we elect politicians who embrace the godly Christian values of the bible.” Someone needs to remind them that historically, there have been many churches empowered by a government. We need only look at the murders committed by catholicism.

While indeed, there may be a global morality sin problem, that moral lapse pales, in comparison to the morality problems within the church of Jesus Christ. The church was to be The Moral Voice of God for the entire planet. Not in the way you hear it speaking today. Today, the church points the boney finger of hypocrisy judging world morality while it is the world's prostitute. Perception by the religious-political right that moral decadence will eventually destroy this nation is incorrect. The sin-sick moral condition in this nation is not in the White House, Congress, Senate, Supreme Court, State House, City Government, or a Law-enforcement agency. It is not the message from the White House to your house that is out of order. It is the message from the church house to your house that is out of order.

It is not the immorality within the government or society that is the problem. It is immorality within the church of Jesus Christ. The moral condition of the church in this nation and around the world is at the lowest level in all of history. Part of that sickness is directly proportional to a select few individuals claiming to be representatives for interpreting God’s moral standard for humanity. They are individuals that use their *Sphere of Religious Influence* (prestige, wealth, ability, or position) to influence you to join their brand of morality for all. It is a brand of righteousness that is unbiblical and historically proven to be extremely dangerous to everyone. It is an Influence that is unholy and completely un-Christ-like in nature.

If you are a Christian, a non-Christian, Republican, Democrat, Independent, or even a staunch noncommittal politically inactive individual, this Kingdom Message will set the record straight. I have never had anyone remain the same after discovering the truths that I am about to share with you. Even if you know little about the bible, let me encourage you to read the scriptures in this Kingdom Message.

I know many politically active Christians that have walked away from the illicit Religious Political Influence after examining these truths. I intend to prove to you that there is no biblical foundation anywhere in the entire bible for anyone to become politically active that says he is a Christian. Every self-righteous, religious, hypocritical image of Christianity, along with its involvement in politics, will be exposed and destroyed. I will accomplish this by using their doctrines and their source of all truth, the bible. By the time we are finished –

- You will have no biblical basis for opening your mouth against any governing authority again.
- You will not be able to find a way to enter another voting booth.
- You will never be able to picket another abortion clinic.
- You will never be able to speak publicly about the personal moral lifestyle of anyone outside of the church.

If you are a Christian and have followed the heretical political teachings of your church, then provide me ...

1. Give me the name of just one New Testament Saint that pursued a political career.
2. Perhaps, you can show me one scripture where Jesus taught anyone how to become politically active.
3. Maybe you can give me one example from the teachings of Christ, where he taught that morality would come through the passing of moral laws.
4. Give me one scripture that says a Christian is to speak against anyone's moral lifestyle OUTSIDE of the church. [go ahead I am waiting]
5. Show me one time where Jesus taught that moral laws would make his Kingdom perfect.
6. Let's go one step further; perhaps you can give me one scripture anywhere in the bible that teaches that we can change a nation by implementing Christian moral laws on people.
7. Show me one scripture where Jesus taught that we could improve morality by electing "Christians to political office." [I AM, is waiting for your answer]
8. Produce one scripture that will validate that you as a Christian are to pursue your "Equal Rights" according to the Constitution

Perhaps, within all of the epistles contained in the New Testament, you will be able to prove a church doctrine of improved morality in a society based on the law. Christ Himself built all of Christianity on a foundation of grace and mercy, apart from the law. Do you deny that fact? If morality came to a nation by practicing moral laws, then Israel would have been an example to follow. As Christians, we know Israel and the law was a total failure. Even when Israel had the law, the temple, and the high priest, they went whoring after other gods throughout the Old Testament. They had the law, complete with the stone tablets, the original Ten Commandments, and still walked in repeated cycles of immorality and sin. They fell away from God nearly every other generation.

I believe that it is time to put away the anger, malice, and hatred sown in this nation by political christians. If you are a Christian, be prepared to have your eyes opened by the Holy Spirit of Truth. If you are a political christian, may God have mercy on your evil heart. I will give you clear, precise, biblical, as well as historical proof that Politics and Christ should never be mixed together.

Christian or non-Christian, I hope that this Kingdom Message will cause you to examine your faith and how you relate to others that do not follow your beliefs. Even if you are an atheist, I know this Kingdom Message will help you understand and confirm much of the hypocrisy you see in organized religion, especially Christianity. If you are a non-Christian, I hope your heart will be encouraged because someone finally said it like it should have been said a long time ago. If you are homosexual, or maybe you have had an abortion or any number of personal moral problems that have been publicly and politically addressed by religious right christianity... please read this Kingdom Message. You are not crazy; they do not represent the heart of God. They violate nearly every Christian doctrine and twist the word of God written for their benefit.

Before we examine their doctrines, we need to understand how to determine if a certain Christian doctrine is false and unbiblical. Please understand the only way we can address the political pulpit and the politically active Christians is from the very biblical perspective they claim to have. I do believe that truth will still speak to your heart even if you do not understand Christian doctrines or the Bible.

### Understanding Doctrine Using Biblical Hermeneutics.

As a Christian, I have to ask you to accept biblical facts and historical facts as solid foundational truth. Not my opinion or yours, but what does the Bible say about political Christians. Political preachers never follow true biblical hermeneutics, history, or Christian history correctly when they speak to *Influence* you. On nearly every occasion, they will pervert scripture and twist history to promote their false doctrines along with their personal brand of morality for everyone. The reason they do this is that they know it sells. It also gives the self-righteous religious heart a purpose.

I am going to ask you to really think. It is imperative at this point that you have a basic understanding of biblical hermeneutics. Please read this carefully. If you are a non-Christian, this will help you understand where and how Christians get their doctrine

The word hermeneutics may sound a little strange to you at first. The word is not that difficult to understand. Simply put, hermeneutics is the rules and principles that we agree upon when we study the scripture. Every biblical scholar in the world is quite familiar with the word hermeneutics. You need to understand how to apply simple biblical hermeneutics. When you do, you will see the massive errors and the intentional lies in the religious, political right doctrines.

Many people today think that verses within the Bible can have many different interpretations. Quite often, you will hear people say, "Well, they have their interpretation, and somebody else interprets the same passage of scripture a different way." Nothing could be farther from the truth. When you hear differing opinions, it is because someone did not apply proper biblical hermeneutics to a particular passage of scripture. Every good biblical scholar knows that the Bible is not open to differing opinions or an individual's private interpretation of scripture. Scripture must interpret scripture. In other words, you cannot have a doctrine or belief that would contradict scripture.

1 Peter 1:20

Knowing this first, that no prophecy of the scripture is of any private interpretation. (KJV)

Establishing a solid biblical doctrine is quite easy for anyone to do. The religious will make it sound difficult, but it is quite simple. If you use the following simple hermeneutic rule and principles, you will see what I mean. When you hear anyone speak or teach using the Bible as their foundation for their speaking, then we must be able to find their doctrine or beliefs in the Bible. Does that sound easy enough? When we examine what the speaker is saying, we must determine if it is truthful, misleading, or an outright lie, according to scripture. In other words, if we could find one scripture that would cast doubt on the speaker's discourse, then we would have to declare the doctrine and the speaker's beliefs impure and misleading.

It is critical that you understand this simple biblical hermeneutic principle. If you do not, please back up and read the last few paragraphs again. If any minister preaches a doctrine that we cannot find in the Bible, then his doctrinal beliefs are in error. If we can find one scripture that would produce suspicion about the validity of a doctrine, then that doctrine would be considered to be in error.

I am intentionally repetitious because once you understand a little bit of biblical hermeneutics, you will be able to tell if someone is lying to you. I am sure that many of you have sat on a church pew and heard a statement from the pulpit that was immediately contradicted by another scripture that came to your mind. Say hello to the Holy Spirit.

### Applying Hermeneutics – It's This Easy

If you are a Christian, you know that all scripture teaches that Jesus was the Son of God. This is one of the solid cornerstones in all Christian doctrine and beliefs. If anyone could produce a single scripture from the bible that declared otherwise, then this cornerstone of Christian doctrine would be less than pure truth. I assure you that this is a very simple way to examine anyone's doctrine without possessing a theological degree. However, it will require that you at least know what is in the bible.

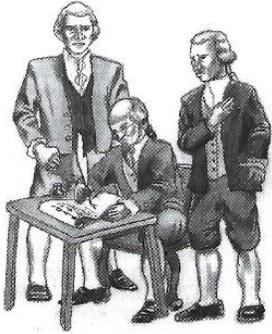

Again, another solid doctrine of Christianity is the scriptural truth that Jesus Christ died for the sins of the world. If we were to try and disprove this doctrine, we would have to produce a single biblical scripture indicating this was untrue. If we could, then we would have a doctrine that was not pure truth. If you are a Christian and have read the bible more than once, you know that according to biblical scripture, this is impossible.

With this simple understanding of biblical hermeneutics in mind, we will examine and prove to you that every political doctrine preached by the political pulpit is completely void of solid, biblical, foundational, and doctrinal truth. If you do not attend a church, I promise you this Kingdom Message has the power to shut their mouths once and for all. I am sorry for boring you with this brief lesson about biblical hermeneutics. Please understand, to prove their heresy and hypocrisy, I must address them directly from the bible, since they claim the bible to be their sole source of truth.

Here is a condensed list of phrases that political pastors use as they attempt to influence society.

1. Old Testament Israel is an example of how a nation is to serve God. [Unbiblical Lie]
2. This country was built on Judeo-Christian principals. [Historical And Unbiblical Lie]
3. Godly men founded this nation that held the Bible and God in the highest regard. [Partial Truth]

15. We must fight for our Christian rights under the Constitution. [Unbiblical Lie]
16. If you do not fight against the liberals, they will take over this nation, and God will judge us. This nation is going to hell in a handbasket! [Unbiblical Demonic Lie]

If you have followed any of their moral-political agendas, read Pat Robertson's own words. Pat best describes the overall objective and personal agenda of the Christian right. Pat is responsible for Christian Coalition and of his legal beagle arm – Jay Seckulow A.C.L.J.

“There will never be peace until God's house, and God's people are given their rightful place of leadership at the top of the world. How can there be peace when drunkards, communists, atheists, new age worshipers of Satan, secular humanists, oppressive dictators, revolutionary assassins of daughters, and homosexuals are on top?” With that statement, Robertson declared war on every sinner in this nation. His words produced hatred and anger in the hearts of millions. Pat's statements are not the will of God or even a vague resemblance to real biblical Christianity. It does, however, resemble someone the entire world will never forget.

#### Listen To The Same Moralistic Drum A Few Years Earlier

‘Lord, we will not let Thee go: bless now our fight for our freedom; the fight we wage for our German people and Fatherland.’ The fight against syphilis demands a fight against prostitution, against prejudices, old habits, against previous conceptions, general views among them not least the false prudery of certain circles. Parallel to the training of the body, a struggle against the poisoning of the soul must begin. Our whole public life today is like a hothouse for sexual ideas and simulations. Just look at the bill of fare served up in our movies, vaudeville and theaters, and you will hardly be able to deny that this is not the right kind of food, particularly for the youth ... Theater, art, literature, cinema, press, posters, and window displays must be cleaned of all manifestations of our rotting world and placed in the service of a moral, political, and cultural idea. -Adolf Hitler (Mein Kampf)

#### NOW READ Excerpts Pat Robertson's Presidential Speech

Our motion pictures, our television, our radio, our youth concerns, with a few outstanding exceptions, seem to have a single message – God is out, casual sex, infidelity, and easy divorce, the recreational use of drugs, and radical lifestyles are in. We have sown the wind – now we are reaping the whirlwind. Illegal drugs are being sold to fourth-grade school children. Half of our high school children have tried marijuana. We are under assault by a tidal wave of drugs estimated to have a value of \$120 billion annually.

I do not believe that the 94 percent of us, who believe in God, have any duty whatsoever to dismantle our entire public affirmation of faith in God just to please a tiny minority who don't believe in anything. We have taken virtually all mention of God from our classrooms and textbooks. We have taken the Holy Bible from our young and replaced it with the thoughts of Charles Darwin, Karl Marx, Sigmund Freud, and Dewey.

Ladies and gentlemen, the answer lies in – a new rise of faith and freedom that will give to every American a vision of hope – a vision of opportunity – a vision that will take us past these troubled days and show us the promise that lies ahead for each of us. I would like for all of us on this special day to hold out A NEW VISION FOR AMERICA – A NEW VISION of hope for ourselves and our posterity.

Hitler and Pat ran on the same “Moral” platform. “One Nation Under Jesus Christ Alone?”

## Ending The Deception Of Politics AND Christ

Each year on Independence Day, political heretics will normally have some message about the high morality of our founding fathers. Contained within that message, will be intentionally misleading attempts to *influence* and deceive you into believing, that our founding fathers originally intended for this country, to be only a nation of Christian morals and values. A nation, according to them, that was founded by men of God only on the values and principles of Christianity as outlined in the Bible.

While it is true that several of our founding fathers lived by a moral code of ethics, many of them read the bible and professed Christianity to be their personal faith. On the other hand, there was an equal number of individuals that helped in the founding of this nation who did not have any Christian moral standards or values whatsoever.

I do not feel it will be necessary, or would it serve anyone to expound on the lives or lifestyles of our founding fathers. It is easy for anyone to pluck historical snippets of high moral comments made by many of our founding fathers and paste them on the wall. It would be just as easy for me to unleash a barrage of historical snippets about the low moral conduct by many of our founding fathers. Especially the founding fathers often referred to by the christian political right.

We could go on for hours about the moral and immoral behavior and lifestyles of many of our founding fathers from Washington to Lincoln and beyond. That argument would serve no one and would only create a heated discussion about the moral character flaws of our founding fathers. That is not why I am here, nor will I speak evil about any of our founding fathers or any of the leaders of this nation. Any small study of American history will prove my point.

The politically motivated christians mastered the art of taking high moral snippets out of context historically. They must pervert your view of history, just a bit, in order to Influence you into believing their religious deception. Then they can tell you that, now is the time to act, now is the time to stand, and together as Christians, we can reverse this liberal decadence that is destroying America. Our leaders today, have shunned the foundational principles of our forefathers. Our founding fathers founded this nation on Christian values and Godly principles. How did this happen, they ask?

In each message, the listener is led to believe that there must be a remedy for our national immoral problems. The obvious remedy to fix this nation's immoral decline is to return to what our forefathers originally intended. America's only hope is to return to the bible and Christian values! If you listen to them long enough, you will believe that somehow, we have missed the "Christian" government of UTOPIA that God intended for us to have. With urgency, they tell Christians that we must do something, we must do it now; otherwise, this nation is going to hell, and it faces judgment from God.

Hey Joe Christian, now is the time for you to help us fix this problem. You have rights! It is time for you to get involved. We must put Christians in political office. We must vote everyone out of office if they do not adhere to the foundational Christian values that our forefathers intended. The moral religious right turns out messages and literature like flipping pancakes on a hot grill. "What's Wrong With America," "Witchcraft in the White House," or take a look at these aborted babies and the queers committing acts of debauchery in our streets. Let's join hands, and together, we can "Take America Back." That one has always bugged me; take America back from who, or what? "Let's put God back in America and in our schools." Okay, how's that working out for you? Do you hear their political, moral drum?

Heretical political preachers call on Christians to fight the issues of abortion, homosexuality, pornography, prayer in school, by electing supreme court judges, and to expose corrupt government leaders. Christians are to especially fight for their equal rights as a Christian under the constitution. "You must stand up and fight for your Christian rights. Fight with us, sign our petition, and remember that together we can make a difference." We must get out the vote! By the way, please enclose a check to help us fight together. Hypocrites!

Wait until you see just how far off they are, both historically and hermeneutically. I promise you we will look at every scripture and prove that their doctrines are totally unbiblical. In fact, I cannot find one scripture that will substantiate any of their doctrines for political activity by a Christian. I will, however, offer you solid hermeneutical, biblical, and historical truth for the role a Christian has in politics.

In Their Perverted Heretical Opinion, This Nation Was Supposed To Be  
One Nation Under Jesus Christ Alone!

Every time they open their mouths with these perverted messages, they spew hatred and anger as they provoke violence in the hearts of millions. They bring a new bag of stones each time and speak evil against government officials. Political christians speak evil of every person in this nation that do not adhere to their version of Jesus. It should be clear to you by now, the moral problems in this nation (if there is one) is not in the Statehouse, Congress, Senate, Supreme Court, or the White House. The problem is in the messenger and the message from the church house! It is unbiblical and un-Christlike.

Political pastors tell Christians that they are responsible for turning this nation around. As a Christian, you are fighting against the moral decay in our nation. Join the fight, and you will be doing "The Lord's Work."

History reminds us that the acts of politically empowered catholicism were so violent, murderous, and evil, that the pope today is still asking for forgiveness for what he calls, "the sins of the church." Take a small glimpse spiritually at what he said. The sins of the church? The sins of the church of Jesus Christ, are murder, and child molestation?

The devil is a murderer, a child molester, and a liar. Only the devil would deflect what the popes, cardinals, bishops, and priests have done, by saying it was "a sin of the church." Can you imagine reading a bible that said the 12 Apostles were committing murder and child molestation?

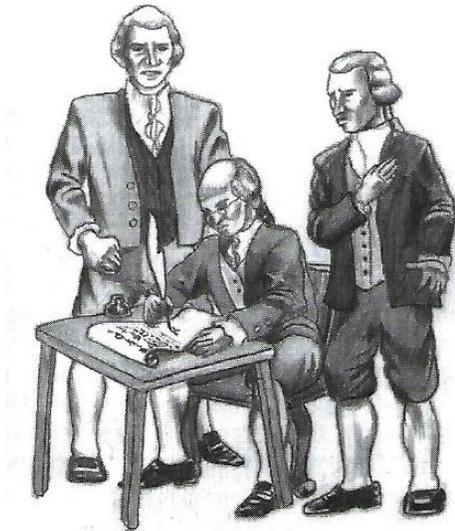

LISTEN THE SPIRIT OF GOD SPEAKS EXPRESSLY. If you find out that you are a member of an institution that has murdered millions and is molesting children in the name of Jesus, why would you ever walk in the door? YOUR very presence means that you condone murder and the molestation of children, and you choose to remain silent. Do you think the Jews would attend the First Church of Hitler?

Purgatory? NO, you will go to hell with every pope, cardinal, bishop, and priest because they, and you, condoned their evil demonic acts and remained silent. He is not a holy father. He is an illusion from the devil to steal your soul. He is a man that sits on the porcelain throne, just like you and me every morning. The catholic institution also commits endless acts of spiritual murder. The institution preaches many false doctrines to its followers. Do not use birth control, and we are against abortion. However, if you are catholic, for a certain sum of money, we can destroy your entire family and annul a thirty-year marriage as if it never existed. Do you understand the devastation of a family? Spiritual hypocrisy and spiritual murder! Those who practice catholicism are trained to practice traditions and rituals created by man. People who practice catholicism are not Christians. They cannot be. How can anyone sit in a murderous, child molesting institution, and know Christ? How can anyone deny conviction in their conscience, and sit in a seat, where a child was molested? You will give an account before Christ!

Many politicians say they are catholic. I wonder if they would claim membership to a club in Washington, D.C. that had a history of murder, child molestation, and the spiritual destruction of families? Show me one catholic that reads the bible by the anointing of the Holy Spirit, and I will show you an ex-catholic. Thank you, Father, for getting that out of me. Redeem and glean your children from the evil traps and snares of the devil. Let's move forward.

Let's take a look at the history of this nation and see how political christians pervert history.

### “One Nation under Jesus Christ Alone?”

American history teaches us that people came to this country for any number of reasons. Most people came for the opportunity to have a new and better life fleeing poverty. Many came because of the overbearing, persecuting, governmental taxation on their lives. A few came for religious freedom from a politically empowered church. Those seeking religious freedom were vastly outnumbered by those seeking prosperity, a new life, and freedom from governmental oppression.

The political pulpit has brainwashed today's politically active christians into believing that religious freedom was the only reason that people came to this country. Most political christians today believe that God created America as the last hope for the world. They think this nation was to be the last bastion of all Christian hope and faith.

The Christians who came to America for religious freedom did so because they sought freedom from a governmentally empowered church. Religious persecution throughout Europe was a genuine reality. The church possessed the power in many instances to kill you if you disagreed with them.

The wisdom of our founding forefathers realized the importance of the relationship between religion and government, with a greater reality than most of us could comprehend. I believe that it was God, and history that gave them the experiential wisdom that led them to the obvious choice – One Nation under God.” They could not write “One Nation under Jesus Christ Alone.”

Ask yourself, since many of our forefathers professed Christianity, why didn't they fight for the right for this country to be “One Nation under Jesus Christ Alone.” Historically there is not one document indicating that there was even a debate or a discussion over the decision of “One Nation under God” Or “One Nation under Jesus Christ Alone.” Why?

They knew if they wrote “One Nation under Jesus Christ Alone.” they would open the path to the same persecution that was prevalent throughout much of Europe. They understood from firsthand personal experience that there must be a strong separation between the church and state. They also knew from their own experience that all people must have religious freedom. In addition, religion must never become politically empowered in the government. Nor should religion ever be allowed to become a viable force within the government. Obviously, they clearly understood that governmental powers in the hands of religious institutions were an extremely dangerous mixture for any society.

Our founding fathers also had an American History reason to write “One Nation under God.” Because “One Nation under Jesus Christ Alone” had already proven to be defective by staining American soil with innocent blood. Left to themselves, Christians murdered Christians. How is that possible?

New England was settled by puritans', who were religious dissenters seeking religious freedom from the English church. Puritan Christians were seeking to build a Bible-based society according to their own chosen biblical disciplines. Murder and religious persecution happened on early American soil, and the forefathers were aware of what had happened when they framed the constitution. They did not see it as a witch hunt, that lie would come much later.

They understood what the religious Pilgrims had done. Pilgrims that were politically self-empowered passed sentences on innocent people and murdered their neighbors. The importance of separating religion and politics should become more obvious if you examine the historical facts contained within the Salem MURDERS.

There is a big difference between personal morality and what happens when you force your morality on someone different than you. When we empower religion and politics, there will always be death. Political christians believe it is their God-given right to fight against all immoral behavior. Nothing could be further from the truth of scripture, or God the Holy Spirit. How demented is the warped religious mind? A self-righteous mind thinks that if you kill someone physically, you will kill a spiritual demon. That same mind thinks stoning the lost publicly is saving babies.

We have been lied to by christian and secular historians. History tells a story about what happened to those witches rather than the human devastation that took place. History books speak more about the torture of supposed witches than it does about the children, who watched as their christian friends, murdered their mother. It was a small settlement; everyone knew everyone. Nearly everyone I know thinks about the killing of witches when you mention Salem. Hardly anyone has the correct perspective. It wasn't about people being witches! This was the time in American history when politically empowered christians murdered innocent people — even their friends and neighbors in the name of God.

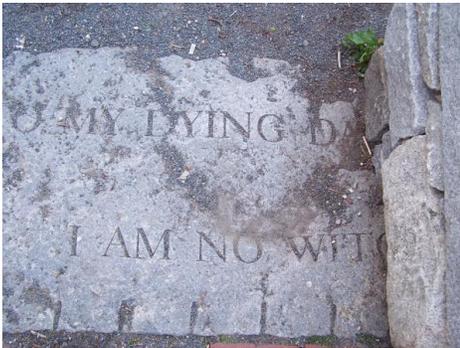

I believe that the self-righteous religious church had a large part in recording and perverting many of the facts surrounding the Salem witch-hunts. If you ask nearly anyone about Salem today, they will most likely comment, “wasn't that the time when they killed witches?” I seriously doubt that you will ever hear anyone say, “Wasn't that the time when politically self-empowered christians murdered innocent people in the name of Jesus?” The church and political christians historically have to be the first spin doctors in the world. They spun Christian murders of people into witches. This must be the only reason nearly everyone thinks about the torturing, hanging, and murders as witches more than the emphasis on the hideous murders committed by bible-thumping christians that were politically self-empowered.

Is it any wonder after such tragedies that our forefathers would write “One Nation under God,” and not “One Nation under Jesus Christ Alone?”

I also find it revealing, when the moral drumbeaters of today speak about the high moral standards this nation was founded upon during their July 4<sup>th</sup> celebration, that they intentionally leave out this christian massacre at Salem, Massachusetts. They must leave it out, because they know that their *Influential Illusionary* picture of history, does not paint well with the blood of innocent people murdered by “Christians.” Let's call them witches, and they will forget. Why don't they offer remembrance, prayer, and give thanks to God on independence day, for a nation where politics and religion cannot be mixed together?

Political christians will go as far as to deny that the puritans were actually “real” Christians. However, on close examination, every wicked moralistic doctrine practiced by the church at Salem is nearly identical to the same doctrines that churches embrace and preach today. Based on that fact, perhaps we should ask the political christians today if they are “real” Christians because their doctrines are nearly identical to the puritans. The point is obvious again; the danger of politically empowered religion has always resulted in the death of everyone that did not agree with his or her brand of morality.

You might say ... that could never happen again. I say it is not worth the risk to find out. Ask yourself an honest question. If the Christian Coalition, Pat Robertson created, took over the government, what do you think would happen? I can assure you it would be anything but the illusion of a godly utopian government painted by political Christians. Every immoral sinner would need to run. The next time you hear them pervert history, remember the murders committed at Salem by politically empowered Christians. Remember why our forefathers wrote “One Nation under God” and not “One Nation under Jesus Christ Alone.”

Stone Throwing Loveless Christian Judgment  
Biblically, Who Are the People That Christians Are Not to Judge?

If you are a non-Christian, please read this part very carefully. If you are a politically active christian, read it twice, then get on your knees, and repent to God. You will not escape judgment.

If you are a practicing homosexual, atheist, pornographer, abortionist, or just two diehard liberal democratic heterosexuals living together, please read this carefully. I am also going to ask you to read the scriptures so that you will know exactly how to fight back against the political pulpits in this nation. I know many of you have suffered many slanderous and ungodly remarks by political christians. I realize that most of you have become angry, resentful, and hateful towards the religious right attitude of "I'm better than you are. You are a sinner going to hell." I do not blame you one bit. You are not crazy. You are right. There is something wrong with the message of the church and especially the political message on christian television. Most of christian television is nothing more than christian pornography!

I hope you hear the heart of God. Nothing is more offensive to God than the moralistic judgments that political christianity passes upon everyone. From the preacher in Kansas standing on a street corner with signs saying, "Fags Are Going to Die and Burn in Hell," to the man draped in black clothing, as the Grim Reaper, with a sickle in one hand and the Bible in the other outside of an abortion clinic. The ungodly inflammatory remarks made or printed by christian political organizations are largely responsible for the murders and bombings at abortion clinics. Every extremist, be they liberal or conservative, have the ability to Influence a violent, unstable, radical minority into action.

I promise you we will completely solve the abortion debate in this nation before we are finished. I believe the answers that God has given me are biblically and spiritually correct. You will not find a lie. Whether or not Mr. or Mrs. political christian will take the medicine is yet to be determined. I trust that you will seriously listen to the Spirit of Truth and judge if what I say is biblically, spiritually, and morally correct. Again, if you are a Christian, you must read it twice, repent, and then fight back against the politically active heretics!

Never is a Christian to judge anyone outside of the church.

You will not find one scripture anywhere in the New Testament, where a Christian is to judge anyone under any circumstances **outside of the church**. Nowhere in the entire New Testament will you find one incident of a New Testament Christian speaking in a judgmental way about the immorality of others outside of the church. You will not find one scripture where Jesus judged anyone for his or her past or present sin in his entire ministry. You will, however, find many scriptures instructing Christians to judge within themselves.

All Christian doctrine clearly states that Christianity has absolutely no business judging anyone at any time outside of a church setting in Christianity. Since this is true, would someone please tell me what in the world Christians are doing? I think you will understand clearly in a few more pages.

1 Corinthians 5:9-13 Please read so that you will be free

9 I wrote to you in my epistle **not to keep** company with sexually immoral people.

10 Yet I certainly did not mean with the sexually immoral **people of this world**, or with the covetous, or extortioners, or idolaters, since then **you would need to** go out of the world.

11 But now I have written to you **not to keep company with anyone named a brother**, who is sexually immoral, or covetous, or an idolater, or a reviler, or a drunkard, or an extortioner—**not even to eat with such a person.**

12 **For what have I to do with judging those also who are outside?** Do you not judge those who are inside?

13 But **those who are outside God judges.** Therefore “put away from yourselves the evil person.”

The Apostle Paul makes it very clear that Christians have no business judging those who are outside of the church. He goes on to say that Christians are to judge within themselves and to put away anyone who says they are a Christian and practices immoral behavior. The entire matter is so strong judgmentally that he commands Christians not to eat with a person that is a Christian brother who behaves immorally. He makes it extremely clear that he was not speaking about people outside of the church in verses 9 and 10. All judgment in the New Testament epistles is directed at judging ONLY within the church.

1 Corinthians 6:2-5 Please keep reading

2 Do you not know that the saints will judge the world? And if the world will be judged by you, are you unworthy to judge the smallest matters?

3 Do you not know that we shall judge angels? How much more, things that pertain to this life?

4 If then you have judgments concerning things pertaining to this life, do you appoint those who are least esteemed by the church to judge?

5 I say this to your shame. Is it so, that there is not a wise man among you, not even one, who will be able to judge between his brethren?

Again, Paul was speaking about judgment within the church. He does refer to judgment by the saints and the fact that Christians will even judge the angels. All of this is a biblical symbol of what will happen at the end of the world. Paul uses this biblical symbol to point out the foolishness of the Corinthians to be incompetent to judge amongst themselves.

Luke 14:34-35 Tasteless Salt Is Worthless Very Important Read

34 “Salt is good; but if the salt has lost its flavor, how shall it be seasoned? 35 It is neither fit for the land nor for the dunghill, but men throw it out. He who has ears to hear, let him hear!”

Matthew 6:23 even more important.

23 But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness!

Jesus said Christians were to be salt and light. We know that salt is used as a preservative and a flavoring, and where there is light, darkness cannot be. In the natural, this is a fact, and every Christian knows that they are to be an example of salt and light. An example does not wear a grim reaper costume or carry a sign “fags are going to burn in hell.” An example is not a loud-mouthed preacher condemning those outside of Christianity. An example does not speak evil of the leaders in a nation! Anyone claiming to be a Christian involved in politically moralistic judgmentalism is salt for the dunghill, and the light that is in them is in darkness. I am going to prove that to you.

Jesus chose salt and light because the substance within each of them carries power and an effect within itself. The very nature of salt does exactly what it is supposed to do, preserve, and flavor. Light carries power and an effect within itself that eliminates darkness. Salt and light by example!

Christians were supposed to be an example of love, humility, integrity, virtue, righteousness, truth, and honor. By a living example, the spiritual substances of Christ within them were supposed to carry power and effect in their lives. Christians were to reprove the works of darkness, by being an example for others to observe from their lives, just as we observe the light of the day.

There should never be any morally judgmental condemnation out of the mouth of a Christian spoken to anyone outside of the church. I speak this to their political shame.

Ephesians 5:8-15

8 For you were once darkness, but now you are light in the Lord. Walk as children of light

9 (for the fruit of the Spirit is in all goodness, righteousness, and truth),

10 finding out what is acceptable to the Lord.

11 And have no fellowship with the unfruitful works of darkness, but rather expose them.

12 For it is shameful even to speak of those things which are done by them in secret.

13 But all things that are exposed are made manifest by the light, for whatever makes manifest is light.

14 Therefore He says: “Awake, you who sleep, Arise from the dead, And Christ will give you light.”

15 See then that you walk circumspectly, not as fools but as wise,

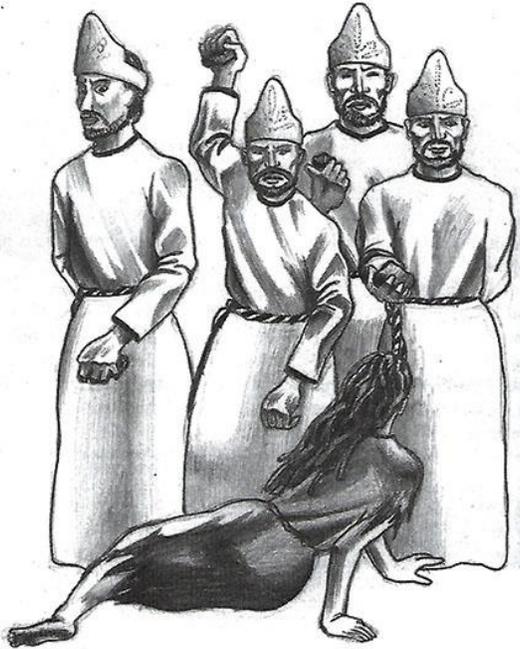

In verse 12, the Apostle Paul makes it very clear that it is a shame for a Christian to even speak or discuss the works of darkness in secret. What do you suppose Paul would say to a man proclaiming to be of Christ, as he sent camera crews to do an expose’ on homosexuality, abortion, or the lifestyle of the President? Answer the question.

Christians are not to be barking dogs condemning world morality. How can they bark about morality since we are not to discuss the works of darkness behind closed church doors? Common sense should tell you that if it is considered shameful to discuss evil things in private, then how in the world could you ever come up with the theology of publicly exposing the personal lifestyle of a non-Christian. How can you speak publicly on immoral issues that you were not to discuss in private?

Paul closes out this passage saying that Christ would give you light and that you were not to be as fools but wise. How would Jesus address your abortion issue? What would Jesus say to the homosexual? What would Jesus say to the pornographer? What would he say to the fornicator? There is an answer for the abortion issue, if you as a political christian, will accept the light from Christ, and quit acting foolishly.

## UNDERSTANDING SALT, LIGHT, AND JUDGMENT BY CHRISTIANS **MUST READ**

John 8:3-12

3 Then the scribes and Pharisees brought to Him a woman caught in adultery. And when they had set her in the midst,

4 they said to Him, “Teacher, this woman was caught in adultery, in the very act.

5 Now Moses, in the law, commanded us that such should be stoned. But what do You say?”

6 This they said, testing Him, that they might have something of which to accuse Him. But Jesus stooped down and wrote on the ground with His finger, as though He did not hear.

7 So when they continued asking Him, He raised Himself up and said to them, “He who is without sin among you, let him throw a stone at her first.”

8 And again He stooped down and wrote on the ground.

9 Then those who heard it, being convicted by their conscience, went out one by one, beginning with the oldest even to the last. And Jesus was left alone, and the woman standing in the midst.

10 When Jesus had raised Himself up and saw no one but the woman, He said to her, “Woman, where are those accusers of yours? Has no one condemned you?”

11 She said, “No one, Lord.” and Jesus said to her, “Neither do I condemn you; go and sin no more.”

12 Then Jesus spoke to them again, saying, “I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life.”

I like to believe that while Jesus was writing in the dirt, he was writing down the personal sins of the Pharisees. This scripture shows how a Christian is to become real salt and light. If you study it, this passage will teach you how to relate, speak, and how NOT to judge non-Christians EVER! If you are a non-Christian, let me encourage you to remember this passage and use it on a politically active christian. This principle of how Christ related to people is throughout the doctrine of judgment within the early church. The apostles repeatedly admonished Christians to judge within themselves throughout the New Testament.

There is not one scripture where Christians are instructed to publicly judge the personal moral lifestyle of those who are non-Christians. Can you give me just one scripture? Jesus makes that foundation principle a reality when he tells the Pharisees that if they have no sin, then they may stone the woman.

What is shocking, the Pharisees were convicted in their conscience about their own personal sins, unlike the actions of the political christians of our day. Think about it. The Pharisees were under conviction in their conscience before the Holy Spirit was released into the world. What does this say about politically active christians?

If they were Christians, God has seared their conscience with a hot iron.

They are no longer able to tell right from wrong. Whose children are they? Why do they speak condemnation and throw stones? When they know Jesus said, "Neither do I condemn you." Political christianity has a conscience conviction, below a Pharisee. Jesus would eventually tell the Pharisees that they were of their father the devil. Is it possible, these political christians have forgotten what sinners they were, before God's light shined on their darkness? In their arrogance, has God cast them out of the Kingdom? Are they Christians or Puritans from Salem?

The Spirit of Christ convicted the consciences of the Pharisees, even though they had a right under the law to stone the woman. That tells me the Holy Spirit has left political Christians if they ever had him. The picture of the Pharisees dragging this woman and her lifestyle to the open public streets to expose her sin is exactly what we see from political christians. That's why I say they are dangerous. Produce one scripture that teaches Christians to shame and expose the sinner publicly. If you are a follower of Christ, you must know this grieves the heart of God.

Political pastors under the influence of satan will always condemn others morally. satan loves to stroke the self-righteous flesh of political christians because it sows hatred, anger, and violence into society. This is a total misrepresentation of the love, peace, and forgiveness of Christ. On that day, when this woman met Christ, she was closer to God than all of the Pharisees combined. Political christians are being held in judgment by God. The anger of God is going to strike them soon.

I speak to non-Christians. When the real light of Christ shines on the life of an individual, personal sins are made manifest before Christ alone. When a heart experiences the forgiveness of Christ, you will always hear, "Neither do I condemn you; go and sin no more." That is when the grace and mercy of God kiss your life. Every true born-again Christian has experienced this foundational spiritual reality. If you are a politically active christian, how did you get so far away from humility? Who tricked you? Wait until you see what you are really doing.

Are you or is your church actively involved in the foolishness of the pro-life movement? Shame on you! I am going to prove to you biblically that God allowed any woman in this nation the right to have an abortion. That's right. You read it correctly. I said God allowed her the right to have an abortion! I promise you, I will expose your political-religious hypocrisy, and you will not be able to prove me wrong!

When a woman is on her way to have an abortion, I know that it must be a very difficult decision for her. I do not know her circumstances or her situation in life. I do not know if this woman knows God. Why would I violate scripture, dress in grim reaper clothing, and shout at her, "You murderer! Baby killer!" If I did that, wouldn't my actions be the same as the Pharisees who wanted to stone the woman caught in adultery? Can you understand how someone in a personal life crisis and a possible destitute situation would never want to know your God? Do you realize that the woman caught in adultery would never have served the God of the Pharisees? Can you understand that the only thing you do is sow hatred, anger, bitterness, fear, and strife in the heart of another human being during a desperate hour in their life? Where did you learn this evil, un-Christ like behavior? You are the servant of satan. You will hear Christ tell you, "Depart from me, you worker of iniquity, I never knew you."

It is certainly not my intention to speak evil about anyone that has ever had an abortion. However, I feel I must put this next example in this Kingdom Message to emphasize a point with the religious pro-life political hypocrites. I need to point out their stupidity and spiritual ignorance.

I want to ask every pro-lifer a question. You must answer the question. The women getting the abortion to kill their babies must be sinners, according to your moral standards, because that is an act only a sinner could commit. Right? Answer the question.

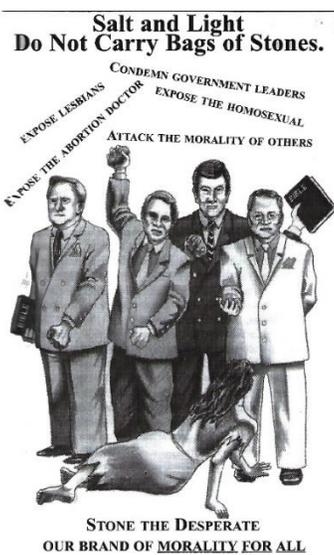

Since you are so sure that God sent you to fight for the unborn children of the sinner, let me ask you, “Who killed the firstborn of Egypt?” Was it not God? Since you are so sure that you have the mind of God, and are full of all heavenly wisdom, then answer my next question.

If the women are all wicked sinners like you claim, and they are killing babies, tell me man or woman of God, “How do you know that God is not causing what you call the wicked sinners, to abort their own children?” ANSWER THE QUESTION! After all, you must admit that God killed the firstborn of Egypt, and they were living firstborn babies walking around Egypt. Answer the question. Hypocrite! Who put that rock in your hand? Who made you a protester to shame the sinner? Don’t kid yourself; you do not know Christ or the forgiveness of Christ. Put your rocks down and go home, close your door, and get on your knees and repent for your un-Christlike behavior. God is near you, and he is quick to judge. Do it again and the fear of God will consume you. Did satan dress you like the grim reaper? Cry out to Christ for forgiveness, and if he gives it to you, he will dress you in humility, grace, and kindness.

You may have never been on a pro-life picket line, which does not matter. The question was, “are you pro-life? Have you attended meetings, given money, or publicly expressed your pro-life views at any time?” It is time to shut your mouth and stop your demonic behavior. Get out of the demonically *Influenced*; pro-life movement. Who convinced you to be a part of an un-Christlike organization condemning the lost without humility? Crafty men under the influence of satan deceived you. They used their position to *Influence your* demonic religious flesh to destroy lives. You must be under the demonic influence of satan because you do the opposite of Christ. You do not think or see Christ spiritually.

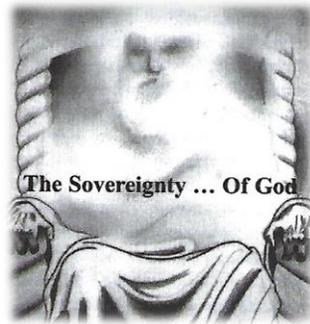

It does not matter if it is abortion, homosexuality, pornography, or just two liberal Republicans living together; you have no right to throw a stone. You have no biblical right to speak openly about anyone outside of the church. Put your stones down and go home. Shame on you! Have you forgotten that the veil of sin once covered your eyes? You have lost contact with the Head of the Body of Christ.

Do you want real Christianity? Do you want to reach those that are destitute and hurting? You must realize that only God can open the eyes of the blind, both naturally and supernaturally. Do you understand why God has not removed the veil that covers the eyes of abortion? Do you think he could not do it in one single day? Didn’t God remove the veil of sin over your eyes in a single instant?

You, Mr. and Mrs. Pro-lifer, are the reason the veil remains. If God pulled back the veil over the eyes of those getting abortions, where would he send them? To You??? Because of your un-Christlike behavior, the veil remains. God can remove the veil over anyone’s eyes any time he chooses. The church of Christ is up to its hypocritical nose in the judgmental sin of the lost, shouting murderer, baby killer, at the sinners Christ came to redeem. Shame on you, preacher! The political church pulpit needs to repent and seek God on how to prepare a place, a spiritual trauma center of healing without judgment for the millions that God will send. The church was never to be an instrument of moral condemnation, judgementalism, or guilt. Salt and light do not carry bags of stones.

## Biblical Proof of “The Powers That Be”

For too long, the abortion issue has been at the forefront of nearly every political campaign in this nation. We can change that today. Women are shouting; we have rights over our bodies while religious-political pro-life christians shout back, you are murderers.

I realize when I make a statement that “God allowed any woman in this nation her right to have an abortion,” that I will be immediately branded as an anti-Christ, and possibly a liberal Democrat, by the majority of conservative Christians. Let me assure you I am neither; and I will prove that God permitted abortion. I did not say He condoned abortion. I said: “God allowed any woman in this nation her right to have an abortion.”

I challenge any pastor, televangelist, theologian, and every political christian on the planet to prove me wrong. I am waiting for you. I will publicly meet anyone, anywhere, at any time, and pay my expenses to prove your UN-Christlike unbiblical heresy publicly. You bring your god, and I will bring my God. I was not called by God to be the echo of another man; God called me to be a Voice to a desperate generation of Christians who are void of a genuine reality of Christ. I know that I have heard from God. I speak by the power of the Spirit of Truth and not the flesh of man, nor do I stand in the opinions of men’s minds. Especially yours.

Using scripture, I will prove that every politically active pulpit speaks from the realm of darkness. I encourage you to take a serious look at the scriptures and biblical principles we are about to examine. I realize that it is our human nature not to look up the scriptures and read them, but please read them because it will eliminate our personal opinions. If you are a Christian, I know that you are supposed to accept what the bible says as your sole source of truth.

For once in your life, let the Word of Truth pierce your hardened heart. Remember, proper biblical hermeneutics says if we can find one scripture to cast doubt on a doctrine, then that doctrine is impure. Every politically active christian will have absolutely no choice but to accept what we are about to see. This is why they will not openly and publicly prove their heretical antichrist doctrines of Politics And Christ in front of me. Let's examine a solid Christian doctrine that every Christian denomination fully embraces.

Again, I Am Going to Use Nothing but Christian Doctrine  
By The Power of Christ, I Am Going To Cut the Jugular Vein  
Of The Entire Political christian Movement!

I do not know of a single serious biblical scholar that would disagree with the following biblical hermeneutical understandings. If you are a politically active christian, I challenge you to prove these scriptures and biblical principles to be in error.

Since we have already exposed your UN-Christ like stone-throwing Christianity, I must warn you that by the time you finish this part of this Kingdom Message, you will never be able to enter another voting booth. You probably think a dangling, hanging, or pregnant Chad was an act of the flesh.

If you are a non-Christian, please understand that we must scripturally prove to the political christian devils that they are under satanic influence and in scriptural error. I am going to prove they are demonic, by using the bible, that these christian devils claim as their sole source of truth. We must expose them by using their bible. As the saying goes, “It doesn’t get any better than this!” If you take the time to understand what the bible says about Christians and politics, this will equip you with the knowledge of how to disengage their political platforms. It will take every citizen in this nation to understand, speak out, and stop the serious danger of merging Politics And Christ. Let’s look at what the bible says about God, Christians, and politics.

- Every politically active christian will agree to the following doctrinal truths.
- Every politically active theologian will agree to the following doctrinal truths.
- Every political pastor will agree to the following doctrinal truths.
- Every denomination in the nation will agree to the doctrinal truths.
  1. The Bible is the sole source of truth for Christianity.
  2. The Bible is the holy infallible word of God. It is the only source for Christian doctrine.
  3. Men, under the inspiration of the Holy Spirit, wrote the Bible.
  4. Christians are not to add to scripture or take away from scripture.
  5. God is the supreme sovereign power over all creation.
  6. God created the heavens and the earth and everything that is in it, including man and woman.
  7. The power of God’s word upholds everything that exists in heaven and earth.
  8. God is omnipotent (all-powerful) and omnipresent (present everywhere).
  9. Nothing is above God – All authority comes from God – All wisdom is from God.
  10. From the foundation of the world, God planned salvation for man.
  11. In the fullness of time, God sent forth his son Jesus Christ to redeem mankind.
  12. God sets up the kings and the rulers of the earth.
  13. God is the Alpha and the Omega. [the beginning and the end]

I assure you there is not one educated theologian, pastor, nor an Angel in heaven that would disagree with every statement. They must all agree that God is the sovereign power and authority over everything in heaven and earth.

### The “Oops” Doctrine

Since Christianity embraces a solid doctrine on the sovereignty of God, they must also embrace what I call my “Oops” Doctrine. You say, what in the world is the “Oops” doctrine? It means that there is One Word never spoken around the throne of a sovereign, all-powerful, all-knowing God.

### The word “Oops.”

There are no mistakes, and nothing can ever take a sovereign God by surprise, since God is omnipotent and omnipresent, according to ALL Christian doctrines.

Every denomination and every church must embrace my “Oops” Doctrine! This means that nothing is out of his control, and nothing can take God by surprise. Is that your God? Is your God in charge of the world and the heavens?

Can you imagine the Angels running up to God and telling him, “Oh No! Now, what are you going to do? The Supreme Court just passed Roe vs. Wade!” Or perhaps, “Oh no! What are you going to do now? The courts just legalized prostitution in Nevada!” “Oh no! The homosexuals and lesbians are marching in the streets, demanding gay rights. What are you going to do about it God?” The election has just gone into its third recount! What are you going to do about it God? They are producing more pornography this year than ever before, and it's free. What are you going to do about all of this mess God???? They stopped prayer in school, took out the bibles, it looks like the children are going to hell?

What are you going to do, God?

If it were possible that anything could take a sovereign God by surprise, then he would be less than God. Nearly every religion on the earth believes that their god is sovereign. If they do not believe that their god is the sovereign power over everything in the universe, then they cannot claim that he is the supreme God. In other words, they have a God that accepts “Oops” messages. Their god would be an ignorant god. They serve a god that is less than all authority, power, wisdom, and knowledge. This “Oops” god must be the god of political christians.

#### The Christian Doctrine of A Sovereign God.

Omnipotent (all-powerful, almighty, supreme, divine, unlimited, unrestricted)

Omnipresent (universal, being present, everywhere, ubiquitous)

Colossians 1:16 For by Him all things were created that are in heaven and that are on earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him.

All Christian doctrine says that God is the sovereign source of power and authority over every throne and principality in heaven and earth. This means that according to Christian doctrine, God can control the heart of any leader in a governmental office if he chooses to do so. Since this is true, Christians must also agree that God is the sovereign ruler over every leader, police officer, judge, or any public official holding an office that serves society. All scripture teaches that God not only puts good rulers in power, but God is also known to put and use evil rulers for his purpose as well. I will prove this in scriptural detail in the next few pages.

Politically active christians believe that they are helping God straighten out the planet by implementing biblical laws and instilling God's standards of morality governmentally. For God to get the victory, they must elect leaders that support their moral view of the bible. Evidently, political christians believe that the Holy Spirit is not doing a good enough job convicting the evil sinners of the world.

The Holy Spirit must be failing politically in their minds, because He never seems to provide them with enough Christian politicians, to win the battle for God. They always seem to be just a few politicians short. Can you give me the name of ONE Christian Politician in the new testament?

All scripture declares that God establishes the rulers and every governing authority on the earth. God put the Honorable William Jefferson Clinton in office. It also means that God put the Honorable President Donald Trump in office. You think your votes determine who gets elected, don't you? Voting is the root of the tree that feeds your demonic political-religious flesh. I am going to prove that to you by the Spirit of God.

Yes, God put the judges on the Supreme Court in power, which also means that God was also aware of Roe vs. Wade for political bible-thumping pro-lifers. If you deny this sovereign truth about God, then you must embrace the "Oops" god. Your speech, mannerisms, and behavior are unbiblical and tell me you serve the Oops god. If God foreknew that Roe vs. Wade would pass and become law, and he did not panic, then why do you? How can you say that you serve a God that knew you before you were born, and planned man's redemption before the foundation of the world, and then say Roe vs. Wade; TOOK GOD BY SURPRISE? Wake up. The truth is near your wicked heart, as are the flames of hell!

I will ask you the question again. Answer it for me if you can. "How do you know that God is not causing the wicked to abort their own children?" You are the one that publicly implies that these people are wicked sinners from your self-righteous, moralistic, loveless stone-throwing heart.

How do you know these people are wicked? Who taught you to judge them? Where is wisdom? Is it near you? Didn't God kill the firstborn of Egypt? Was every living child killed by God in Egypt, wicked also? Where is wisdom? Is it near you? If you declare the women of our day wicked murderers, mustn't you also declare God's actions just as wicked? Hypocrite! Let me hear you say God is a wicked murderer!

Wait a Minute.

Now I get it. I think I finally understand your mystical religious mind that provokes your self-righteous flesh into action. Based on your current political-religious understanding of God, you have no other choice. If you had been in Egypt when God killed the firstborn, you would have protested against God Himself. Wait a minute. I think you would have had an even greater purpose because that was the murder of the living children, not the aborted babies. I would love to have read about you in the Old Testament, as you wore your grim reaper outfit protesting against God, and the Grim Reaper of Heaven visited you and your sign! God was sovereign in Egypt, and He is still sovereign today.

Do you know what really amazes me about you even more? I know you believe that all little children go to heaven. Since this is true, then what are you protesting? Randall Terry spent a lot of time in jail because of his ignorance of God's sovereignty. Randall's politically motivated religious flesh blinded him spiritually and made him ignorant of God's ways. God put him in a time-out chair and denied him political access to government officials. Randall was and still is, a puppet of satan. Are you as blind as Randall? After reading this Kingdom Message, Randall will repent publicly.

Why do you kick against the pricks of God's authority? Do you deny the truth and all Christian doctrine of God's sovereign right to set up the rulers of the earth? Who are you to speak against the ministers that God puts in governmental office? Who are you that you would try to undo what has not surprised God? All Christian doctrine stands on the bedrock foundation that God is sovereign over everything. I personally believe that God intentionally does not allow the conservative right or the liberal left full control of this nation. The political history of this nation will validate my beliefs. We can see cycles throughout American history with conservative leadership, followed by liberal leadership.

## Why would you deny his sovereign power?

The understanding of a sovereign God is a very complex puzzle for many people. Christians are supposed to accept God as sovereign by faith, just as they accept the bible as the holy infallible word of God. However, Christians also know that there are too many unanswerable questions about the sovereignty of God. The sovereignty of God will fill your mind with thousands of unanswerable questions. How can God allow this or that? I want to offer you a simple answer that will help. While praying and meditating one day, this understanding of God's sovereignty was given to me. I hope that it will help you. I offer it to you just like the answer came to me. If you think about the answer that I was given, I am sure that it will help.

“To understand that God is sovereign, you must first understand that he is not. However, he can be if he chooses. God exercises His sovereign Dominion wherever he chooses. He performs His will and not the will of man. His plan is perfect. Many things take place outside of God's sovereign will and purpose. They do not affect his sovereign will or his purpose. They are a part of the whole purpose. Even those things outside of the will of God can be intervened in, and conformed to God's sovereign purpose if he chooses. Nothing escapes him.”

Once the sovereign will of God captures the heart of an individual, they supposedly no longer possess a will of their own. For this reason, Christians will openly proclaim – not my will Lord – but thy will be done. Most Christians desire to perform the will of God in their lives. We have seen thus far that political christianity is definitely not the will of God. Anyone would be hard-pressed to prove that the will of God would ever direct him or her to pick up a stone and speak against the moral lifestyle of others.

Every pastor, theologian, and politically active christian will agree that God has the power to control the heart of anyone, especially those in public political service. Since this is true, every politically active christian must agree that according to scripture and their doctrine, God can be in control of the heart of a wicked ruler as well. If you do not agree, Mr. political Christian, then get out your hypocritical scissors and cut out these passages.

You must have a sovereign God or you serve a god of “Oops!”

Look at Pharaoh: READ READ READ

Exodus 4:21

And the Lord said to Moses, “When you go back to Egypt, see that you do all those wonders before Pharaoh which I have put in your hand. But I will harden his heart, so that he will not let the people go.

Exodus 7:3

“And I will harden Pharaoh's heart, and multiply My signs and My wonders in the land of Egypt.

Exodus 9:12

But the Lord hardened the heart of Pharaoh; and he did not heed them, just as the Lord had spoken to Moses..

Exodus 10:1

Now the Lord said to Moses, “Go in to Pharaoh; for I have hardened his heart and the hearts of his servants, that I may show these signs of Mine before him,

These passages demonstrate that according to scripture and all Christian doctrine that God is sovereign. All authority comes from God, and He can do whatever he chooses to do. This is the first instance in the scriptures of God intervening in a government. Throughout the entire story of Pharaoh, Moses, and God, we find that God intentionally and repeatedly hardened Pharaoh's heart.

God not only hardened the heart of Pharaoh, but he also hardened the hearts of his servants. God did this because He intended to prove himself before the world to be the powerful Sovereign God of the children of Jacob.

In fact, God claims the sovereign responsibility of placing Pharaoh in power.

Exodus 9:12-16

12 But the Lord hardened the heart of Pharaoh; and he did not heed them, just as the Lord had spoken to Moses.

13 Then the Lord said to Moses, "Rise early in the morning and stand before Pharaoh, and say to him, 'Thus says the Lord God of the Hebrews: "Let My people go, that they may serve Me,

14 for at this time I will send all My plagues to your very heart, and on your servants and on your people, that you may know that there is none like Me in all the earth.

15 Now if I had stretched out My hand and struck you and your people with pestilence, then you would have been cut off from the earth.

16 But indeed for this purpose I have raised you up, that I may show My power in you, and that My name may be declared in all the earth.

If you think about what God did in Egypt, it will speak volumes about his sovereignty over everyone on the planet. Not only was Pharaoh put in power by God, but the destruction of the firstborn by God proves that God will use all of his power to conform any nation or leader, to His will and purpose. At any cost! Later throughout the entire book of Exodus, we can see God exercising his sovereign authority repeatedly over the rebellious children of Israel. God foreknew their rebellion before they left Egypt. If God foreknew Pharaoh's heart, He foreknew Israel's heart as well, and He knows yours.

Eat Grass

King Nebuchadnezzar is another fascinating example of God's sovereign ability to use and teach anyone a lesson. Nebuchadnezzar was the gentile King of the Babylonian Empire that we commonly know today as Iraq. Nebuchadnezzar was the Saddam Hussein of his day. He was not an Israeli, and he did not fear the God of Israel. Several times he plundered the nation of Israel and took away the gold in the Temple as well as many captives.

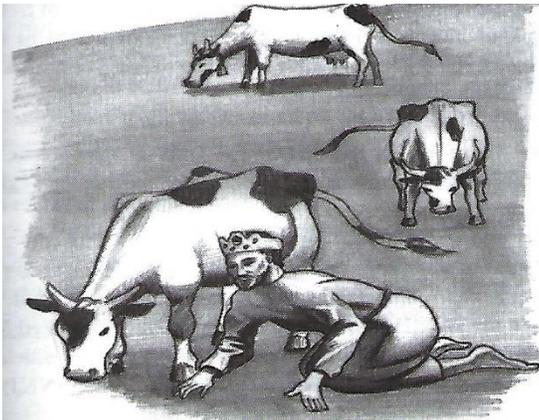

God allowed him to do that, and would later use him to babysit, for the rebellious nation Israel for 70 years. Long before Nebuchadnezzar became the babysitter of the nation Israel, God referred to him as his servant. Please remember that many things take place outside of the sovereign will of God. Those things do not affect God's sovereignty. God can conform anything to his sovereign purpose whenever he chooses.

5 I have made the earth, the man and the beast that are on the ground, by My great power and by My outstretched arm, and **have given it to whom it seemed proper to Me.**

6 And now I have given all these lands into the hand of Nebuchadnezzar the king of Babylon, **My servant;** and the beasts of the field **I have also given him to serve him.**

7 So all nations shall serve him and his son and his son's son, **until the time of his land comes; and then** many nations and great kings **shall make him serve them.**

In verse five, God stakes his sovereign claim that HE is the creator, and HE is in control of everything on the earth. We can stop right there. You can put down your rocks, literature, and your microphone; go home in fear of what you have done to the name of Christ. God specifically points out that everyone will serve King Nebuchadnezzar. What is so profound about this passage is the simple often-overlooked fact in Verse 7 that all nations will serve Nebuchadnezzar and his sons. God reveals that He is sovereign over all nations, and uses them to perfect his will and purpose on earth. At the end of Verse 7, God points out that the Babylonian Empire, at the end of God's plan, will end up the servant of other kings. However, before this would happen, God wanted to deal with an issue of pride within Nebuchadnezzar's heart. **No matter what you may think** of a leader or a ruler anywhere in the world, **I declare to you that God is still able to deal with their hearts.**

Daniel 4:28-37

Nebuchadnezzar's **Humiliation**

28 All this came upon King Nebuchadnezzar.

29 At the end of the twelve months he was walking about the royal palace of Babylon.

30 The king spoke, saying, "Is not this great Babylon, that I have built for a royal dwelling by my mighty power and for the honor of my majesty?"

31 While the word was still in the king's mouth, a voice fell from heaven: "King Nebuchadnezzar, to you it is spoken: **the kingdom has departed** from you!

32 And they shall drive you from men, and your dwelling shall be with the beasts of the field. **They shall make you eat grass** like oxen; and seven times shall pass over you, **until you know that the Most High rules in the kingdom of men, and gives it to whomever He chooses.**"

33 That very hour the word was fulfilled concerning Nebuchadnezzar; **he was driven from men and ate grass like oxen;** his body was wet with the dew of heaven till his hair had grown like eagles' feathers and his nails like birds' claws.

### **Nebuchadnezzar Praises God**

34 And at the end of the time I, Nebuchadnezzar, lifted my eyes to heaven, and **my understanding returned to me;** and I blessed the Most High and praised and honored Him who lives forever: For His dominion is an everlasting dominion, **And His kingdom is from generation to generation.**

35 All the inhabitants of the earth are reputed as nothing; He does according to His will in the army of heaven And among the inhabitants of the earth. No one can restrain His hand Or say to Him, “What have You done?”

36 At the same time my reason returned to me, and for the glory of my kingdom, my honor and splendor returned to me. My counselors and nobles resorted to me, I was restored to my kingdom, and excellent majesty was added to me.

37 Now I, Nebuchadnezzar, praise and extol and honor the King of heaven, all of whose works are truth, and His ways justice. **And those who walk in pride He is able to put down.**

Do you think this story never happened? This message is not from me. What benefit could I be to you, or you to me? This Kingdom Message is a warning from God, to the children of God, that have fallen prey to the influence of satan, and are sowing hatred and discord into the nation. You walk in the pride of your flesh, thinking that you are going to help God establish the rulers and the direction of the world. God is going to put you down for your blasphemy of the name of Christ, just as he did to Nebuchadnezzar. You will not escape judgment for your UN-Christ like actions. REPENT NOW!

In an instant, you will see many delivered from politics AND Christ. Jay Sekulow, a fake gentile Jew, founded the A.C.L.J. with Pat Robertson. Jay is also a Chief Counselor and personal lawyer for President Donald Trump. Jay will repent publicly. I see your smile and your pride Jay. The judgment of God is near you. Will God humble you like Job? You have a choice right now; choose this day who you will serve Politics OR Christ. God is near you. You must accept the biblical fact of God’s sovereignty over ALL of the rulers and Kings of the earth. The “Oops” god you serve, cannot hide you from my God. In your self-righteous political flesh, you argue before the Supreme Court. The Supreme Court of God Almighty is going to judge you, and He will not hear your argument.

How much scripture are you going to deny or cut out of the bible? While you are at it, cut out the entire book of Job completely. That book speaks volumes on God’s powerful sovereignty over every individual on the earth, and every spiritual power in the heavens. The book of Job also demonstrates God’s wisdom and foreknowledge of every situation in which he chooses to intervene. For his glory, God will allow even the righteous to be tested. How can you forget the vivid picture of satan in the book of Job? satan was nothing more than a tool in the master’s hand. God not only allowed satan to test Job, but God also challenged the devil to do it. You are a puff of wind, Jay. Stop sowing seeds of discord.

Job 1:6-8

#### Satan Attacks Job’s Character

6 Now there was a day when the sons of God came to present themselves before the Lord, and Satan also came among them.

7 And the Lord said to Satan, “From where do you come?” So Satan answered the Lord and said, “From going to and fro on the earth, and from walking back and forth on it.”

8 Then the Lord said to Satan, “**Have you considered My servant Job,** that there is none like him on the earth, a blameless and upright man, one who fears God and shuns evil?”

God asked the devil – have you considered my servant Job. According to God, Job was the most righteous man upon the face of the earth at that time. The devil was permitted by God to destroy everything Job possessed. Job lost business, lands, houses, and even his children were murdered by satan. After that, God also permitted Satan to attack Job’s body physically. Do you hear God, Jay?

All of these scriptures demonstrate the Christian doctrine that God is all-powerful and sovereign over everything. From controlling the wicked heart of Pharaoh to removing the pride from King Nebuchadnezzar's heart, God is sovereign over any ruler he chooses.

God is also sovereign over every spiritual power in the heavens. He has the power and the wisdom to use even the devil himself to perfect his purpose in man. You cannot get anymore supremely sovereign in power and authority than that.

He is definitely not the "Oops" god that you serve Jay!

God is not running around like chicken little in fear, wondering what He should do. Oh no, Pharaoh didn't do, what I told Moses to tell him to do. Nebuchadnezzar just raided my temple, what do I do now? The Supreme Court passed Roe vs. Wade, what do I do? I could write 100 pages giving you an example after example of God's sovereign ability to work his perfect will on the earth in the lives of men. There are numerous examples of God setting up the rulers, kingdoms, and Kings of the earth throughout the old testament.

Not one King in Israel was elected by popular vote. From Abraham to Christ, every appointment in Israel was the work of God's divine sovereignty. Old Testament Israel is not an example of a godly government. This Kingdom Message will expose the Israeli/Christian hoax and people like Jay.

Remember This.

- 1 God is sovereign, and all authority is from God.
- 2 God sets up the rulers of the earth.
- 3 God establishes every governmental office.
- 4 Every public servant is a minister from God.

I cannot find a single biblical reason for the Christian Coalition, Listen America, Center for Reclaiming America, or Pat Robertson's invention of the A. C. L. J. Another ironic thing about J. Sekulow and the A. C. L. J., for those of you who do not know, Jay claims to be a converted Christian Jew. Isn't it just like satan to use a fake converted Jew to enforce christian rights? Every real Christian knows that the reason Judaism missed God was because they tried to serve God by observing the law. You can see God is exposing the silliness of Jay with a passion. Bring your god Jay, and I will bring my God. Prove to the people using the bible with me that you are not the biblical hypocrite I say you are.

If you are a politically active christian, ask yourself this question. Since our forefathers did not write "One Nation under Jesus Christ Alone," and Old Testament Israel did not vote for any governmental leaders, what are you trying to accomplish? Jay is directly under the influence of satan. He tries more than anyone in this nation to motivate political christians into action. God is going to take away his self-righteous political influence. The highest visible hypocrisy is a Lawyer like Jay asking you to send him money. God will open the eyes and ears of the Children of God with this Kingdom Message. Political christians like Jay, know the word of God, but they deny the truth of the word of God. Here's why.

They Know According to The New Testament The Powers That Be - Are Ordained by God

Submit to Government Authority

Romans 13:1-2

Let every soul be subject to the governing authorities. For there is no authority **except from God**, and the authorities that exist **are appointed by God**.

2 Therefore whoever resists the authority **resists the ordinance of God**, and those **who resist will bring judgment on themselves**.

## SHUT THE FRONT DOOR – AND AFTER THAT – SHUT YOUR POLITICAL MOUTH

You think I jest when I said God is going to judge you. We live in the hour and day that judgment has begun within the church. I warn you that you are living in the fullness of time, and God is going to change the world again. Stop and think about these scriptures, put them in the historical context, and the meaning they carried to believers when Paul wrote them. It was in a day when the governing authorities were murdering Christians. From being eaten by lions, to being burned alive in a hot iron chair, it is apparent that the apostle Paul's words carried great implications to the Christians of that day.

Many early Christians were wrapped in cloth and paraffin, as they became human candles. The Roman Emperor Nero liked to ride his horse and chariot at night, so he would stake his garden with Christian candles. Historically, there are recorded instances where Christians were even offered as living sacrifices to demonic gods. Yet, Paul wrote the scriptural hermeneutical truth, the powers that be are ordained by God, and as Christians, we are to submit ourselves to God's governing ministers.

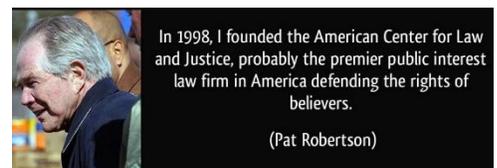

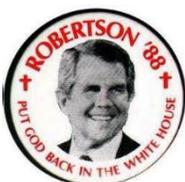

Can you imagine Paul telling the Christians to picket Caesar? Can you imagine Paul telling the Christians to fight against the governing authorities? Can you imagine Paul telling the Christians they need to protect their equal rights? Can you imagine Paul telling the Christians to infiltrate the government so they can obtain their rights? Can you imagine Paul telling Christians they need prayer in government schools? Can you imagine Paul saying all we need to do is get a few moral laws on the books? Can you imagine Paul telling Christians to vote for godly leaders with Christian values?

### The Powers That Be Are Ordained of God.

May God open your eyes to see how foolish political christianity is in comparison to real Christianity. Not only do political christians deny the sovereignty of God, but they are also throwing stones at the very people God came to redeem. Political christians are the same obsessed, legalistic manifestation, as the Pharisees when Jesus entered the temple. The Pharisees followed every moralistic law in Judaism almost to perfection. They were prideful, arrogant, and dis-esteemed the rest of society as lesser individuals. To them, being close to God was practicing moralistic laws in the power of their flesh and implementing those laws on others.

The legalistic decadence that resided in their flesh was never more evident when Jesus proclaimed in John 8-44, "You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it.

As a Christian, you are not to be a part of the governments of this world. God appoints the authorities that exist. It has absolutely no bearing upon a Christian if the moral character of that

governmental authority is good or evil. God appoints them. They are his ministers. A Christian has one commandment, and that is to obey the established ordered authority by God.

Everyone that holds an office will give account for what they do in the office that God entrusted them with as His minister. Every judge, every police officer, every mayor, governor, senator, congressman, president, and Supreme Court Justices are ministers sent from God.

As a Christian, many laws within the nation violate Godly principles. For instance, it is legal in Nevada to spend time with a prostitute. As a Christian, I do not partake because of a moral conscience towards God, even though it is legal in that state. As a Christian, God never gave me the right to condemn anyone outside of the church that chooses to hire a prostitute legally. This includes the legal right to buy marijuana, gamble, drink alcohol, smoke, enter topless bars, or watch X rated porn movies. Those rights under the law include the right to abortion. God is coming to judge every pastor preaching politics and Christ to the children of God, and every child of God following the heretic.

The point is quite simple. There may be any number of laws that violate one's conscience towards God. I do not have to partake, and neither do I have the right to condemn anyone outside of the church that chooses their rights to partake under the law.

1 Cor 10:23 READ

All things are lawful for me, but not all things are helpful; all things are lawful for me, but not all things edify.

The apostle Paul reminded the Christians that all authority comes from God. Even in the midst of massive persecution by governing authorities, he reminded them to submit themselves to those authorities.

Submit to Government

Romans 13:1-5

Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God.

2 Therefore whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves.

3 For rulers are not a terror to good works, but to evil. Do you want to be unafraid of the authority? Do what is good, and you will have praise from the same.

4 For he is God's minister to you for good. But if you do evil, be afraid; for he does not bear the sword in vain; for he is God's minister, an avenger to execute wrath on him who practices evil.

5 Therefore you must be subject, not only because of wrath but also for conscience' sake.

Do not confuse the reality of Christians being persecuted and martyred because of their faith in Christ. Paul clearly instructs all Christians to obey the laws governing society. Paul points out that Christians were to obey the laws of God's ministers for their good. Paul never mentions Christians were to influence laws governing society. WHY? Get it through your head, the laws and the authorities behind those laws are the sovereign works of God's ministers.

Scripturally, Christians were not to establish any law or authority. Here is why. If you are born again by the spirit of God, you are born into a different government that is not of this world. You are a

**citizen** of the Kingdom of God. Paul gave a clear mandate to Christians based on the sovereign authority of God. It was an instructional submission for Christians. You are to submit to God's ministers in governmental offices.

It had absolutely nothing to do with the persecution of Christians because of their faith in Christ. Yes, God allowed Christians to suffer persecution by governmental leaders because of their conscience towards Christ. Remember, a sovereign God will use an evil leader and even the devil for his purposes if he desires. I will prove it to you, but you should know that by now.

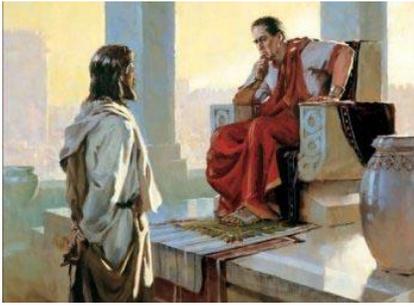

Christians believe that Jesus appoints apostles, prophets, evangelists, pastors, and teachers to the body of Christ for the perfecting of the Saints. However, they fail to comprehend the reality that God establishes all governing authorities as His ministers. There is no mandate anywhere in scripture for Christians, or the church, to establish the governing authorities. Every Christian knows that they will give account for their actions. I can assure you that all government ministers will also give account for their actions.

We have seen that the bible teaches us that God uses both evil and good rulers to establish his purposes on the earth. This is a solid biblical fact, and you need to submit yourself to God's sovereign authority. I keep pounding this fact because you are dull of hearing and are blind. God uses good and bad leaders for His purposes. Ponder this biblical truth and wake up to real Christianity. The bible does not teach us to look for false governmental ministers. Why? I see you still do not understand the Kingdom of God and what Kingdom you have entered into by faith.

However, the entire new testament warns us that the church will be full of false teachers, fake ministers, false prophets, false apostles, and wolves in sheep's clothing speaking directly from the pulpit. Satan knows who God's ministers are, and their purpose. Satan's attack has always been against the Kingdom of God and the establishment of that Kingdom by the church of Jesus Christ. Which one of these false ministers taught you to speak evil to the lost souls of the world? Which one taught you that God wants you to infect his established governments with your moral ideas? Let's face it; if you've ever encountered Christ, you still cannot comprehend the day that God opened your eyes and gave you the gift of salvation. Who has deceived your faith in Christ? Which one of them convinced you to act like the evil Pharisees by condemning the sins of the lost? Because of you, the majority of society views politically active Christians as arrogant, boisterous, and morally judgmental. Your very behavior is forbidden by Christ, in ALL scripture! Prove me wrong.

Hermeneutically prove your political doctrine of Politics And Christ. I will prove to you that God established every office with power and authority, **no matter what the moral character** was of the individual that holds the office. I will also prove that God used the devil and the governmental office for his Kingdom's purpose.

THIS IS A KINGDOM MESSAGE FROM GOD

## Jesus the Son of God – Master of Everything Mastered by Nothing

John 19:10-11

10 Then Pilate said to Him, “Are You not speaking to me? Do You not know that I have power to crucify You, and power to release You?”

11 Jesus answered, “You could have no power at all against Me unless it had been given you from above. Therefore the one who delivered Me to you has the greater sin.”

In this passage of scripture, we find the Son of God submitting to the very ordered governmental authority that God had established. God, in His sovereign authority, was going to implement his sovereign plan and purpose for all mankind by using a godless leader that more than likely worshipped Roman gods.

Jesus declares that the power and authority that Pilate thought he possessed to crucify him came from God alone! As the Son of God, he submitted himself obediently to that ordered authority to fulfill the purpose of God. Had he resisted that authority, he would have been nothing more than a rebel himself. Jesus never made one accusation about the way Pilate ran his governmental office. Jesus never spoke about Pilate’s godless immoral lifestyle. In his entire ministry, Jesus never tried to change one natural governmental law. Jesus never spoke out against any governing authorities at any time. The only people that were openly and publicly rebuked by Jesus were the Pharisees. Remember, as a Christian; you are to speak within the church and not to those that are outside of the church. Any open rebellion or slanderous remarks against God’s governmental ministers from the mouth of a Christian are demonic. The real servant of God has only one commandment in the bible, and that is to pray for those in governmental authority. Nothing else!

1 Timothy 2:1-2

Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence.

### Christians Are Born-Again into the Kingdom of God

Col 1:12-13

Giving thanks to the Father who has qualified us to be partakers of the inheritance of the saints in the light. He has **delivered us** from the power of darkness and conveyed us into the kingdom of the Son of His love

## UNDERSTANDING THE THEOCRACY OF THE KINGDOM OF GOD

### God Is Sovereign, And His Word Is Law

If you are born again into the Kingdom of God, He has transferred you from the kingdom of darkness into His Marvelous Kingdom of light. You are no longer a part of any earthly kingdoms or governments. You are not republican, democrat, male or female, or a citizen of any country, and you do not have a skin color. Every Christian serves God in the governmental form of a theocracy; it is the only kind of a government that could be associated with a sovereign God. It is a government where there are no elections, no voting rights, and the leader is not subject to a vote, nor is there a power strong enough to overthrow Him. Satan has already tried that. It is a government so powerful that no forces or groups of forces could ever overthrow it.

It is a government with its foundations built on faith, hope, love, and servanthood. In this government, there are no equal rights. The highest position in God's theocracy for a Christian is directly proportional to the degree of servanthood found in the life of a Christian. The word servant in the New Testament comes from a Greek word meaning bondservant. When properly interpreted, the root meaning of a bondservant – is a slave. Find me one time in history that a slave was ever entitled to their Equal Rights, especially a slave in the theocracy of God's government.

Unlike natural communism, where a dictator rules by power, greed, domination, and everyone works for the government, Christianity and the theocracy of God's government is the purest form of communism. It is communism ruled by love. God selects the leaders and puts them in the highest positions because of their love and servanthood. To the degree you learn to love and serve while you are here, that will determine your position in eternity.

I am not talking about this mess of emasculated cheerleaders standing behind a pulpit preaching lies and tithes. God did not choose the majority of the men you think are pastors. They are nothing more than self-appointed businessmen working for their particular denomination like any other corporation. Christians know the bible teaches that they were translated from one Kingdom into another. They know they are **not** to be a part of this world. Therefore “Come out from among them And be separate, says the Lord. Do not touch what is unclean, And I will receive you.”.

Any politically active christian that walks into a voting booth for a moral reason, walks away from the Kingdom of God in rebellion. They effectively dismiss God's sovereign theocracy, leave his Kingdom, and try to effect change in a foreign government. It would be this same thing as the people of Iran voting in American elections to inject their moral laws into America. Political christians are worse than the Iran scenario. In rebellion, they try to change the governments that God has established.

The liars in the pulpit have failed to teach the Principals of the Kingdom of God to the children of God. Political pastors are ignorant of the Kingdom of God, and most of them do not know God. They are false teachers from satan stealing money, from the children of God, and infecting society with hatred and strife.

Find one scripture that will validate this mess of political christianity that we see today. Find one scripture that will prove Christians are to be politically active. Show me one New Testament Saint that left the early church to become a politician. Show me where Jesus taught anyone that his kingdom was to be a political Kingdom. Do you believe that the Kingdom of God will return to the earth once we overthrow the governments that God established? If you do. You are one sick puppy. Prove to me biblically that you have a right to enter a voting booth as a Christian.

READ 2 Corinthians 6:14-18

14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

15 And what accord hath Christ with Belial? or what part hath he that believeth with an infidel?

16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people.

17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you.

18 And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty.

What part of the Spirit of God in your heart allows you to disagree with the necessity for you to separate yourself from the world? Have you been translated from the kingdom of darkness into the Kingdom of light? Then what are you doing standing in a voting booth with a dangling or hanging chad?

Ephesians 1:20-23

20 Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,

21 Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come:

22 And hath put all things under his feet, and gave him to be the head over all things to the church,

23 Which is his body, the fulness of him that filleth all in all.

Do you know what disturbs me about you? How in the world can you say that you believe in a God that is so absolutely sovereign and supreme in power, a God that is so powerful, that He can bodily resurrect Himself from the dead? Then in a totally unbiblical political manner, you act as if God commissioned you to speak against His governmental leaders; and you were sent to fix the very government that he ordained! Do you know satan is stealing your soul?

The resurrection doctrine is the core of Christianity and the climax of God's sovereign power to finish salvation for mankind. Every conceivable sin and immorality known to man vanished when Jesus bodily walked out of that grave. When Jesus bodily resurrected from the tomb, he took the keys to death and hell from the devil, which makes him officially the Mayor of hell. I don't know how Jesus runs hell, do you? If you are a political christian, you need salvation. You do not have the Spirit of Christ. You serve a satanic, demonic religious spirit.

Do you understand that people who reject Christ in this life will meet him again? It doesn't matter if you believe or not. You will meet Him again. Do you understand that NO one comes to Christ unless the Holy Spirit of God draws them? Why has God drawn these millions of people to Himself and NOT you? Who is in charge of sin and salvation, the Holy Spirit, or you? Get on your knees and repent for your demonic political foolishness. I think, given a chance, you would eventually try to tell the Mayor of Hell how to run it. You are reprobate silver. Rev 1:18 I am He who lives, and was dead, and behold, I am alive forevermore. Amen. And I have the keys of Hades and of Death. Do you think with those keys that He might be capable of running the entire world governments? Answer the question,

Tell me, Mr. Political preacher, what will you say when you meet him in hell? Are you going to say, I didn't know? LIAR! That won't work, because God sent me with this Kingdom Message for you, I told you by the Spirit of God to repent. Why do you smile at me? Tell me, preacher, did you encourage Christians to speak about the personal morality of non-Christians or moral issues within the nation? Do you think Christ will smile at your rebellion? Why would you give the children of God the long bony finger of moralistic judgmental hypocrisy? Why would you encourage the children of God to become politically active? Whose servant are you?

Christians know that they are surrounded by a great cloud of witnesses who look over the balconies of heaven. Martyred saints, whose blood still cries out to God throughout the heavens, "when will you avenge our blood, Oh God?" These were men, women, and children of God that were offered as sheep for the slaughter before the governments of the world, because of their faith in Christ. Many stood in silence as their throats were slit because they refused to forfeit the Voice of God. They refused to leave or denounce the Kingdom of God and the sovereign theocracy of his government. For that reason, their voices still speak in heaven. But you defy God and claim something is wrong, something is out of order. Was Pilate out of order? Was Pharaoh out of order?

God did not call Christians to become society's watchdogs; he called them to become servants. I love the fact that Hollywood film producers have enough integrity to rate their movies. If I went to an R rated movie, I would know what to expect. That is a lot better than walking into most churches where you never know what to expect, other than a sure appeal for money! The New Testament contains warnings about people who would say they were Christians that would defy the government and speak openly against God's ordained governmental ministers. The warnings are very serious, and they fit anyone who is a politically active christian. These verses tell us what we see today.

2 Peter 2:10-11 But chiefly them that walk after the flesh in the lust of uncleanness, **and despise government.** Presumptuous are they, selfwilled, **they are not afraid to speak evil of dignities.** Whereas angels, which are greater in power and might, **bring not railing accusation** against them before the Lord.

The apostle Peter explains that self-willed people who walk in their flesh, and not in the Spirit of God will despise, and dis-esteem government leaders appointed by God. Peter goes on to point out the dangerous spiritual foolishness of these people by comparing them to the angels. Peter points out that the angels would never bring an accusation against any governing authority of God. Christians biblically have one mandate in the entire bible, and that is to pray for, not against those in governmental leadership. Even the angels are very aware that speaking against any governing authority would be an accusation against God's sovereignty and his governmental ministers. The most powerful angel in heaven, Michael would never speak against any governing authority on the earth or any governing authority in the spirit world, including against **satan** himself.

The Destiny of Every Political christian

### JUDE

8 Likewise also these filthy dreamers defile the flesh, despise dominion, and speak evil of dignities.

9 Yet Michael the archangel, when contending with the devil he disputed about the body of Moses, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

10 But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.

11 Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gainsaying of Core.

12 These are spots in your feasts of charity, when they feast with you, feeding themselves without fear: clouds they are without water, carried about of winds; trees whose fruit withereth, without fruit, twice dead, plucked up by the roots;

13 Raging waves of the sea, foaming out their own shame; wandering stars, ***to whom is reserved the blackness of darkness forever.***

Jude points out the identical dangerous spiritual foolishness that Peter spoke about earlier. Since I have done a thorough Greek and Hebrew word study on every word in this passage, listen to what Jude is saying in 21<sup>st</sup> century English.

A group of people claiming to be Christians in the imagination of their mind would morally contaminate their soul by actions of their faithless UN-Christ like flesh. These fake christians would try to share in the fellowship of the love of the Saints. They have no fear of authority or God, and like beasts, they will operate from the flesh and not the Spirit. These “supposed” Christians would believe within the vanity of their own minds that they could create a utopian moralistic godly government! In the vanity of their mind and the strength of their religious flesh, they will deny the sovereignty of God over the rulers of the earth. The highest angel in heaven knows that to speak against any authority is evil. Yet these vile dreamers do not.

Jude goes on to say that this group of people would try to set aside, disesteem, neutralize, violate, cast off, despise, disannul, frustrate, bring to nothing, and reject the established order ordained by God. In doing this, these supposed christians would vilify, speak irreverently, defame, revile, speak evil, and blaspheme the governmental leaders established by God.

Since Michael the Archangel recognized satan’s authority in the dark kingdom, why would you fail to recognize God’s sovereign authority to establish the rulers and governments of the earth? Answer The Question! I think that in your westernized christian political mentality that you have become detached from the head of the Body of Christ. Michael never spoke a single word of accusation against satan. Who taught you to speak evil of God’s leaders? Who taught you to speak in an ungodly manner to those outside of the church? Who taught you to address the private moral lifestyles of others publicly? Have you forgotten Christ? Who put you on a picket line outside of an abortion clinic? Who taught you to seek your equal rights under man’s Constitution when you are from the government of God? Who convinced you to fight for the right to pray in school? Who taught you to speak evil and to corrupt yourself by being politically active?

Who put that stone in your hand? Pharisee!

Go home and ... Repent!

Here is what Politics AND Christ will do to your soul. Have you fallen under their influential demonic spell? If you are involved in politics in any way, the next woe is for you!

Jude

11 Woe to them! for they have gone in the way of Cain, and ran greedily after the error of Baalam for reward, and perished in the gainsaying of Korah.

We are going spiritually deep, may God have mercy and open your eyes

Please understand that Jude is still speaking to this same group of “supposed” Christians that would despise government and speak evil of God’s appointed governmental ministers. Jude is about to expose what are the character manifestations and errors of this group of blasphemous UN-Christ like people. What did Jude mean when he said this group of people had gone the way of Cain?

We know that Cain committed the first murder in the bible. It was no accident that God shows us that the first murder in the bible would be a religious rebellion. Cain killed his brother Able because he wanted to do what he thought was right in his own eyes of religious understanding. Cain wanted God to accept him on his religious terms rather than Cain accepting God’s way. In the bible, this was the first practice of man-made religion. Cain knew specifically that God would not accept his self-righteous religious efforts, but he did it anyhow. Cain’s offerings to God were acts of his flesh.

Nevertheless, in an attempt to appear righteous in his own eyes before God, Cain rejected God’s sovereign ways and killed his brother to eliminate any other offering to God but Cain’s. If you read the passages, God seems kind to Cain. This religious murder would have a bigger significance biblically than the death of Able.

The vilest and most dangerous spirit on the planet is still a religious spirit, and it has only one source. It will still seek to kill anyone that exposes the evils of religion. The same religious spirit that murdered Able would be used by God to murder Christ. I see your carnal mind swirl, because you think after the flesh and not the Spirit. That religious spirit would work through the Pharisees as they sought to murder Christ.

The only reason we do not see any real persecution of Christianity today is because a religious spirit controls Christianity. That religious spirit is political christianity under the control of satan. Jesus specifically spoke about the murder of Able, when he stood in the temple publicly charging the religious Pharisees for the murder of Able. The Pharisees were driven by the same religious spirit that was in Cain’s heart. Jesus exposed that religious spirit, and its source, as He spoke to the Pharisees because of their religious attempt to appear justified before God by the practice of organized religion.

Matt 23:35

“That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias son of Barachias, whom ye slew between the temple and the altar.”

Political christians have no idea the judgment they face. It is coming soon; the moment you step out of the next voting booth, you will feel the conviction and judgment. Notice that Jesus tells the Pharisees that the blood of the “righteous Able” was coming upon them. Wait a minute, Jesus, that’s not fair to the Pharisees. When Cain killed Able, the world had not been flooded, Abraham had not been born, Moses had not given the law, so how could the righteous blood of Able be charged as judgment to the Pharisees?

It is not the flesh that Jesus speaks about; the Pharisees were possessed by the same religious spirit that caused Cain to kill his brother. The Pharisees were the highest form of organized religion under the law. That same religious spirit would work through the Pharisees to murder Christ. That same religious spirit works through political christians. Jesus tells us who was behind the murder and the religious rebellion in Cain's heart, and he also reveals the source of religious spirits.

John 8:44

You are of your father the devil, and your will is to do your father's desires. **He was a murderer from the beginning**, and does not stand in the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies.

He was a murderer from the beginning. Jesus points directly to the spirit that was behind the murder of Able. The source of all religion, satan. Political christians are the manifest rebellion of satan against the Kingdom of God and under demonic influence. Religion will always *influence you* into an act of your flesh. It will drag you into an arena with a bag of stones. Christ will give you a spiritual bag filled with life, mercy, grace, humility, and truth. Jesus came to serve. Who do you serve?

Peter, Jude, and Paul warned the early church about this group of supposed Christians that would deny the sovereign governmental authority of God. Peter gives an understanding of how to spot the same demonic character manifestations in people that we found in Jude.

The only thing that Peter adds is some additional insight into how these people will appeal to you. In verse 14, the apostle tells us that these people will go after other people that are unstable within their souls. Their main objective will be for money.

Peter said it well. Having eyes full of adultery and hearts trained on covetous practices, these men will prey upon people that are unstable in their souls and faith. Having eyes full of adultery does not mean that they are after an adulterous affair of the flesh. Eyes full of adultery are eyes with the desire for greed, fame, fortune, and power. They will promise you liberty and lead you into bondage. If you follow their political ways, you will become as corrupt in the vanity of your mind as they are.

Titus 3:1-3 Remind them to be subject to rulers and authorities, to obey, to be ready for every good work, **to speak evil of no one**, to be peaceable, gentle, showing all humility to all men. **For we ourselves were also once foolish**, disobedient, deceived, serving various lusts and pleasures, living in malice and envy, hateful and hating one another.

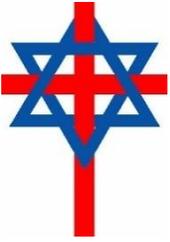

Who, or what, really lives on the inside of you that you would despise God's dominion? Have you been *Influentially Gullible* enough to follow any form of a political gospel scheme? If you continue working for satan in political christianity, exposing the sins of the lost, and speaking against governmental leaders – This is what you will hear one day.

“Depart from me you worker of Iniquity

I never knew you!”

## The Israel/Christian Political Hoax

Most Christians, certainly every political christian, believe that the Jew, the nation Israel, in the old testament and those in Israel today, are God's chosen people. There seems to be this unwritten code in Christianity that Christians should honor Jewish people as well as the nation Israel. In nearly any church, you will hear the pulpit often say, "Pray for the peace of Jerusalem." On the other hand, many will hear something such as, "I will bless those that bless you and curse those that curse you" in reference to the nation Israel. Neither statement applies to Christianity since Calvary.

A few strange individuals developed most of the distorted Christian views about Israel, the temple, and the Jew within the last 300 years. These views stemmed from a false belief system that we are living in the last days. The false end times eschatology regarding Israel preached by the chicken little's of this generation is nothing more than biblical huxterisum. Most churches will point to Israel today as a clear sign that we are living in the last days. If you want spiritual LSD, the rapture doctrine is where you can find every Last Spiritual Dopehead preaching escapism. It is a psychedelic, mind-blowing carnal carnival!

From the battle of Armageddon to the 666 mark of the beast, Christians are taught that Jesus is coming soon to "Rapture" them out of this troubled world. The good Christians will go to heaven for 3 ½ years when Jesus appears in the clouds to rapture them safely into heaven. While they are in heaven playing harps, flutes, and floating on clouds, everyone else that is "Left Behind" will be destroyed. After 3 ½ years, they will put down their harps, flutes, get off of their clouds, and return to the earth with Jesus as He passes out dust busters so they can clean up the mess from the battle of Armageddon.

Christians are also taught that Israel is going to rebuild the temple, and the Antichrist (The Son of the Devil) will walk into the Temple and proclaim himself to be God. Oh brother, don't you know that we are living in the last days? Jesus is coming soon! None of this is biblical, and it can be easily proven to be in error by applying proper simple biblical hermeneutics. I do believe, however, that if Jesus were coming soon, he would throw most of these "christian political airheads" into outer darkness because they never found out why they are here! Rapture people have failed to realize that everything in heaven is okay, and the real battle is down here. They live life, waiting in a rapture bus terminal going nowhere. They are useless spittle that will be spewn out of the Master's mouth.

God is not forfeiting his Kingdom in heaven, or His Kingdom of this world, to the devil. He is not sucking His children off of the planet and running away to heaven. If you think so, you do not know God, and you certainly do not know the power or plan of God. You follow men who are windless echoes of their carnal minds. What do you think the bible means when it says the Kingdoms of this world have become the Kingdoms of our God? When does that happen? Rapture airheads are void of the reality of Christ, and they follow a false doctrine that has absolutely no life. They love to sit around and spiritualize every world event as proof that we are living in the last days. What's the point?

My mother was a huge follower of rapture eschatology, as preached by false prophets like Perry Stone, Jack Van Impe, and Hal Lindsay. Each of these false prophets and many other liars like them has been wrong over and over again. The biggest con I have seen today about Israel is a false liar and heretic named Larry Hutch; the man is under the control of satan. You will become a wandering star of darkness Larry. Repent! I remember my mother telling me that she didn't care what I said – she was going UP in the first load during the rapture. I looked at her and said, remember I told you this – you will die here, old woman. She has long since passed away, and by the way, she beat the long line of useless Christians sitting around the bus terminal taking LSD. Remember I told YOU this you rapture airhead. You are going to die here.

While I would love to take this opportunity to kick your rapture fire escape out from under you, I must stay with the matter of Politics or Christ. I mentioned all of this foolish rapture escapism, because of the false doctrines that are followed by political christians. The rapture con has them believing that Israel today is a legitimate sign from God and that the end is near. The rapture, Israel, the temple, and the Jew are a satanic illusion.

I want to prove the following truths to you about the nation Israel in the old testament, as well as the nation Israel today. I am not anti-anything when it comes to what religion you practice. If the world does not get a grip on the false gentile nation of Israel, satan will eventually create a nuclear war. The United States government backs the fake Jews in Israel, because of the *influence* of political christianity. The entire world needs to comprehend the lie behind the fake gentile nation of Israel. We must stop the growth of the THORN of the middle east, Israel.

### I Am Going To Prove With Solid Biblical Facts

1. Old Testament Israel was 100 % Gentile.
2. Old Testament Israel was, and will never be again.
3. There is no such thing as a Jew based on the blood type of a man.
4. The nation Israel today is a fake Gentile nation practicing an illegitimate form of Judaism.
5. Not one person in Israel today can validate blood lineage to any of the original twelve tribes.
6. God has never made a covenant in the bible with anyone, especially old testament Israel, based on the blood type of a man.
7. The only man with a blood covenant on the earth, and in the heavens, is the man Christ Jesus.
8. God established the covenant of Christ Himself for all mankind, and it is received by faith alone. Whether you believe it or not.
9. The blood covenant of Christ destroyed Israel, the temple, and the gentile Jew under the law.
10. God's covenants are by faith alone.

This Kingdom Message will destroy your political Judeo-Christian beliefs about Israel! Are you still able to see and hear, or has God blinded you? Are you a blind fake gentile Jew practicing reprobate Judaism? Are you a half gentile Jew preaching Jesus dressed like a fake Jew on television? Take your silly clothing off and go home. Are you standing at the wailing wall praying every day? How's that working out for you? The prayers of men clothed in reprobate silver, praying to a wall do not go above their heads — the effectual fervent prayers of a righteous man in Christ avails much.

While there was a divine purpose for old testament Israel, there is not a single biblical purpose for the nation Israel that we see today. It is a bogus nation. You believe that there are Jewish people on the earth, don't you? When you read historical documents, or you hear someone use the term Jewish people, you need to STOP and think, what is a Jew. I am going to prove by using foreskin that there are NO Jewish people on the earth, and there has never been. The religious gentile Jews in Israel practicing an illegitimate form of Judaism, have worked very hard to skew your thinking. They know if the world finds out who and what they are, they will have to STOP stealing land. It is extremely important that Christians, and the world, understand the origin of the fake gentile nation of Israel. Israel is the thorn of the middle east that will lead the world to a nuclear war. My prayer to God is that world leaders will move quickly.

Let's begin by proving that old testament Israel was 100% Gentile. From the beginning of creation, God created only gentiles. The first gentile man was Adam, and every man after Adam was also a Gentile. To this day, every man is still only a gentile. God never intended to be only the God of the Jew, Judaism or Israel as you believe.

We know by scripture, Abraham is the one man that God chose to be the founding father of what would eventually become the nation of Israel in the old testament. The promises God made to Abraham also gives us a glimpse of spiritual Israel which would be Christ. Every Christian realizes to some degree that the church is to be spiritual Israel. Most Christians have read this passage, but few comprehend the gravity of these words. In one sentence, the Apostle Paul revealed the ENTIRE spiritual purpose of natural Israel. With an even greater gravity, the same sentence executes the end of natural Israel.

Gal 3:29

And if you are Christ's, then you are Abraham's seed, and heirs according to the promise.

God started with Abraham by faith. Christians, according to scripture, are the spiritual heirs of the promise that God made to Abraham. Since this is true then what was the purpose of old testament Israel? What, or who was Abraham? Where was he born? Was he a Jew? What is a Jew? Should old testament Israel be an example for Christianity or any nation or religion today? Who are the people of Israel today? Are they really the people in the old testament? After all, who has not seen Charlton Heston in the Ten Commandments? Let My People Go! Are the people in Israel today God's chosen people? They are not even close as we shall see. I believe 95% of the people in the world think a Jew is a race of people and the chosen people of God. They are not!

### **The Home of Abraham**

Gen 11:27-28 This is the genealogy of Terah: Terah begot Abram, Nahor, and Haran. Haran begot Lot. And Haran died before his father Terah in his native land, in Ur of the Chaldeans.

### A World Full Of Foreskin

By all biblical and historical accounts, Abraham was 100 % gentile. Abraham was exactly the same as every other man on the planet, a gentile when God chose him. To be blunt, from the first encounter when Abraham met God, Abraham along with every other man in the world, had a **foreskin**. Abraham walked with God 24 years before his circumcision at 99 years old. God chose Abraham because of his faith, **not the foreskin** of his flesh. With the act of circumcision, God would mark a select group of gentiles, and He would separate them from the rest of the gentile world. These have a foreskin, and these do not, other than that, they are all from the same creation by God. All creation had a foreskin.

That group of gentiles, with the fleshly mark of circumcision in their body, would become the gentile nation Israel, that would receive the law from God. It had nothing to do with the blood type of a man. Today, A Fake Jew is any gentile, practicing an illegal form of old testament Judaism. The term Jew **is not a race**, and the word Jew has never been a race of people. God, through this select group of circumcised gentiles, was going to show the entire world that a nation and their people, could never become moral by the practice of laws or observances, even when the laws came from God Himself.

We could stop right here with the simple understanding that everyone in the world was a gentile, and you can walk away from the false perception that Israel today is something special. If God was going to bring sinless perfection to mankind, then the gentile nation Israel under the law would have been able to offer a single sacrifice for their sins and walked away with a clear conscience. They were God's example to the world of what would not work. God chose this select group of circumcised gentiles to show the world what He would not accept, rather than put the entire world under the laws of God. Laws that God foreknew, that once Christ ascended into heaven, He would have to declare the laws to be useless rubbish, because of the new covenant. Like an old newspaper, God threw away the nation, the temple, and the Levitical priesthood. It will never rise again – because of the resurrection of Christ! “I will put my law in their minds and write it on their hearts.” End of story.

The fake Jews in Israel today are trying to sell another lie to the world, by using DNA. God has set my face like a flint to expose the lying false rabbis. They are stubborn, stiff-necked heathens, trapped in a satanic illusion that is dangerous to the world. It is a VAIN attempt to keep the world ignorant about their true identity. These liars are testing DNA and trying to sell bogus DNA theories, in an attempt to claim that they are the people of God from old testament Israel.

LISTEN! Just because someone has DNA that is from the middle east, it does not mean they were a gentile from the old testament Israelites practicing the religion of Judaism. A DNA test can't possibly validate that anyone is Jewish, or from the 12 tribes, of old testament Israel. WHY? BECAUSE a Jew practiced a religion – it is not a race. Is there a DNA test for religious validation? Today, the fake Jew is still the same as any other gentile in the world who wants to practice an ILLEGITIMATE version of old testament Judaism.

Take a moment with me to understand how silly their claims are. Anyone in the Arab world would score higher on a middle east DNA test than every gentile rabbi living in fake Israel today. That high DNA score by an Arab, will not prove they were a gentile Jew from the 12 tribes of the old testament Israel. If you want a high DNA score, test the Palestinians whose land the fake nation Israel stole. They will out DNA everyone in fake Israel. I know who they are, and so will you before the Spirit of God is finished! Here's a good laugh at their lying foolishness. If we followed the silly DNA scams these false hypocrites are selling to the world, then all Germans, with a high Germanic DNA, would have to be members of the Nazi Party. DNA does not test for religious, or party affiliation.

The only possible way anyone could validate they were from the tribes of old testament Israel is by begats. Birth certificates that say so and so begat so and so, begat so and so, ALL the way back to the circumcised gentiles roaming in the wilderness with Moses for forty years.

What disturbs me, is political christians, and the fake gentile Jews both know that in the old testament, the practice of Judaism was very strict. If these fake gentile Jews were the legitimate Israelites from the old testament, there would be dead bodies all over Israel. Even political christians know that according to scripture, God would have to kill all of the practitioners in Israel today for offering strange fire, and false prayer. God does not recognize the religion that Christ destroyed.

In an even BIGGER lie, the false gentile rabbis are changing the word of God. The fake rabbis are rewriting the word of God given to the real children of God in the old testament. Using big erasers and scissors, they are rewriting the ordinances, laws, and doing away with sacrifices in the word of God. They are heathens, controlled by demon spirits, as they violate the Tanakh, the law and the prophets, like a rapist, violates a virgin. Rabbis are busy shredding, and rewriting the word of God, into the false religion of New Judaism. Hypocritical political christians are blind to the evils of the fake Jews in Israel because they are waiting for the rapture. Political christians need to awaken from their blind slumber. These people you think are from God, are not. Demonic rabbis are changing the word of God to hide from the world, that they are from their father the devil, and his deeds will they do.

What do these demonic fake rabbis do with this? Deuteronomy 4 1-2 Now, O Israel, listen to the statutes and the judgments which I teach you to observe, that you may live, and go in and possess the land which the Lord God of your fathers is giving you. You shall not add to the word which I command you, nor take from it, that you may keep the commandments of the Lord your God which I command you.

There is an even bigger reason why the nation Israel is fake to the core. Political Christians, pastors, and even the LSD end times dope dealers will agree, that old testament Israel was a theocracy of God. The Kingdom of God operates only as a theocracy. Old Testament Israel was a theocracy which means every office was anointed and appointed by God's divinity. God picked Abraham, Moses, every King, prophet, all rulers, and the priesthood was anointed and appointed by God Himself. Who are these fake liars, changing the word of God to fit a New Illegal form of Judaism, that operates by-election and not under the divine appointment by God?

If you must have **blood** lineage, let's go all the way back to the root source of the first gentile to encounter God, Abraham. When we traced the origin of Abraham, we saw that Abraham was from a country that was just a little north of Kuwait, right in the middle of what most of us know as the battleground for the Desert Storm war. A country we all know today as Iraq. That's right, Abraham was an uncircumcised gentile from Iraq. If anyone has a right to claim blood lineage to Abraham, that would have to be the divine right of Iraq. There is physical Abraham, and then there is spiritual Abraham after he met God. Spiritual Abraham received the promises of God by faith, and natural Abraham by the act of circumcision, would define the size of the gentile nation Israel, that God would put under the law.

We must also agree that the other patriarchs in the old testament Isaac, and Jacob, were also gentiles. While we are at it, let's add to the blood discussion, Ishmael. He was circumcised with Abraham when he was 13 years old. before Isaac was conceived. God promised Abraham that He would make a great nation for Ishmael. Genesis 21:13 "And also of the son of the bondwoman will I make a nation, because he is thy seed." God never intended to create conflict between the gentile Jews and the gentile Arabs; because they are brothers from the same seed of the same Father of Faith, Abraham. By divinity, God worked through Abraham, Isaac, and Jacob to create a theocracy on the earth.

satan created the world problem in the middle east by creating a false religion in the hearts of fake gentile Jews, who practice a religion, that God destroyed. The fake gentile rabbis in false Israel are the most deceived people in the world. Political Christians are the fuel stoking the illusion. The conflict between Arabs and the fake nation Israel began when the fake gentile Jews began stealing land from Arab brothers.

According to all of the new testament, Christians know they are the promised seed of spiritual Abraham by faith in Christ. Christians are spiritually the new Jerusalem, the church, which is the body of Christ, and eventually, the spotless bride of Christ. Who has tricked you into believing this false baloney of natural Israel that we see today? Christians need to flood the fake nation of Israel and confront the fake gentile Jews about the lie they are following. They need to preach the Gospel of Christ in open confrontation in the same manner that the Apostles openly confronted the Jews about the truth of Christ. If Christians will flood Israel and preach the Gospel of Christ, it will change the world.

Today there is a field that is ripe for harvest, and Christians are walking in a blind stupor, thinking Jesus is coming to take them away. Instead, they fail to realize the fake gentile Jews are deceived and deceiving the world. The political rapture minded Christians are running around patting these false Jews on the back shouting welcome home! Let me pray for you and support your rebuilding of the temple. Political Christians are ignorant that the fake gentile Jews are re-writing the old testament to fit their deceptions.

The Spirit of God says the fields are ripe for harvest. The fake gentile Jews are in spiritual blindness, under the bondage of the law, and are being used by satan to bring nuclear war to the world. Paul destroyed all of the law with the act of circumcision. Christians are called by God to turn back this manifestation of satan that threatens the peace of the entire world.

Expose the lies by the power of the Spirit of Truth, and that will stop the murder of the innocent. Become a part of writing the laws of God on the hearts of these deceived people.

#### MUST-READ Hebrews 8

7 For if that first covenant had been faultless, then no place would have been sought for a second.

8 Because finding fault with them, He says: “Behold, the days are coming, says the Lord, when I will **make a new covenant** with the house of Israel and with the house of Judah—

9 not according to the covenant that I made with their fathers in the day when I took them by the hand to lead them out of the land of Egypt; because they did not continue in My covenant, **and I disregarded them**, says the Lord.

10 For this is the covenant that I will make with the house of Israel after those days, says the Lord: I will put My laws in their mind and **write them on their hearts**; and I will be their God, and they shall be My people.

Why, as a Christian, would you believe that God would turn back to the law, a temple of sacrifice, and bring people into the bondage of Judaism. By the name of God and the power of Christ, just look at how they dress, what they observe, and how they pray at a stone wall. Do you see the bondage of the law? Israel was in bondage in the wilderness under the law, and these fake Jews practicing an illegitimate Judaism are under the same bondage. There is a sin in the American church because of weak, ignorant political christians. The fake Jews are frauds, and so are the political christians. I think God calls them enablers who cast stumbling blocks in front of the innocent. These fake Jews are stumbling around and you have the answer they are seeking.

#### Who Are These Fake Gentile Jews And Where Did They Come From?

##### The Majority Of Them

##### Originated From The Following DOCUMENTED Historical Account

The people in Israel today are from over 100 different countries and speak over 85 different languages. Most historians will also agree that well over 95 percent of all the “gentile” Jews in Israel and the world today are from the Ashkenaz Jews. Let me inform you that the fake Jews in Israel have fought very hard to hide the truth of their origin. Jewish rabbis and scholars deny they are from the following historical account. Remember, the reason they try to do this is to hide the fact that there is nothing real about them. They believe they have special blood when they all are from the same foreskin of mankind.

Around the year 700, A. D. Bulan was a Khazar. His empire is known historically as the Turks and Huns. King Bulan had no religion and decided to adopt a national religion for his country. He inquired about the three Abrahamic religions Christianity, Muslim, and Judaism. In the end, he chose Judaism

King Bulan led the conversion of his entire kingdom into practicing Judaism. You must understand that these people were uncircumcised gentile Turks and Huns. **They were not the people from old testament Israel.** This conversion of the King’s empire took place over 700 years after the destruction of Israel. For over 300 years, these GENTILE people practiced the religion of Judaism. They were not Jews; they were Turks and Huns. They were GENTILES without any religious beliefs.

King Bulan's empire was all along the southern border of Russia, as well as many parts of Europe. Please track with me a little more, and I promise we will move on. I feel this is relevant to the world we live in today. If you are a Christian, and you embrace Judeo-Christian values, it is important that you understand what you are really embracing when you recognize false Israel.

For over 300 years and nearly eight generations, these gentiles of Turks and Huns practiced a partial version of Judaism. If you were born in a neighboring country several hundred years later, it should not be that difficult to understand that you might think these gentiles were Jews. Remember that this happened in a vastly different time period than the high-powered media world we live in today. Over time, I am sure the surrounding countries considered them to be Jewish. Most historians and the encyclopedia Britannica will establish these facts. Jewish historians will naturally deny them because they look after the blood type of a man and scramble with a DNA LIE. They do not want the WORLD to know who they are. When you see anything written by a rabbi about this time period, it is a lie and an attempt to distort historical truths about their roots.

Around the year 1000 A. D. a war broke out between Russia and the Turks and Huns that were practicing Judaism. Russia was the victor. So much so, that they drove the gentile Turks and Huns practicing an illegal form of Judaism, completely out of their land. Guess where they drove them? To Poland, Hungary, and Germany. While in Germany and Poland, these Turks and Huns developed their own language called Yiddish, and they intermarried with the Germans, Hungarians, and the Polish people. Yiddish is a medieval German dialect with a mixture of Hebrew. It is not Hebrew. These people married into Polish, Hungarian, and German families for over 900 years. Sadly, they would become the people that Hitler singled out for his horrendous Holocaust.

None of them were from the actual Jews of the old testament. From these gentile Ashkenaz Jews, a movement emerged for "political" Zionism that would eventually lead to the establishment of the false nation Israel that we see today. Benjamin Netanyahu is an Ashkenazi Jew with a family tree from Poland and Lithuania. He claims to have about 10% Sephardic Jew DNA, which means nothing. I know his real higher DNA number is Polish or German. His entire family tree is from the European line of the gentile Turks and Huns from King Bulan. It's still all about foreskin, not DNA. If DNA could prove that anyone was from the 12 tribes of the old testament, then ALL of the people in Iraq will test positive because that is Abraham's homeland. That DNA test will not make an Iraqi a member of the circumcised gentiles who received the law, nor make them a member of the fake gentile Jews today.

Remember, human DNA, is a desperate scam by the fake gentile Jews in Israel today. A lie created by false rabbis to mislead the entire world into thinking they have blood connections to old testament Israel. I guarantee that Netanyahu's DNA will test high German and Polish; that does not make him a Jew, or a Nazi. I know he has more German than fake Jew DNA. The fake gentile Jews in the bogus Nation Israel come in every color. White, black, brown, and yellow, with green, black, brown, and blue eyes.

Think About What Really Happened in old testament Israel.

Remember, God started with one man that would relate to him by faith alone. Abraham, a gentile from Iraq. God could have used anyone on the planet. Everyone was a gentile when God chose Abraham. The selection by God was based on faith, not race or blood type. No one on the planet has ever had divine favor with God because of his or her blood type. The leaders of old testament Israel were selected, anointed, and appointed by God Himself. Just as God gives some apostles, prophets, pastors, evangelists, and teachers to the church. Every appointment in Israel was by God's divine appointment, from King Saul through King David and Solomon.

The entire New Testament exposes the futility of Judaism in its attempt to obtain justification with God by practicing the Law. The entire nation existed for one reason biblically, and that was to expose man's sin problem and his need for a Redeemer. This is why God destroyed Israel, the temple and the Levitical priesthood completely in 70 A. D.

The last prophecy recorded about the temple was spoken by Christ Himself, when he declared that there would not be one stone left standing. That prophecy is still in effect today!

Matt 24:1-2

Then Jesus went out and departed from the temple, and His disciples came up to show Him the buildings of the temple. And Jesus said to them, "Do you not see all these things? Assuredly, I say to you, not one stone shall be left here upon another, that shall not be thrown down."

Christ declared that the entire Levitical priesthood had become so corrupt that they were of their father, the devil. While they claimed Abraham to be their father, they were still clueless about how to relate to God by faith and obedience alone. Read these profound words that Jesus spoke to the Pharisees.

Ye are of your father, the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar and the father of it.

If you are a Christian, stop and think with me about what Christ was not only saying but also doing. The Son of God was proclaiming that the very institution ordained by God had become so corrupt that Satan was in charge. Furthermore, his manner of speaking in these two scriptures exposed that God was going to abolish not only the temple, but the Levitical priesthood as well. Jesus pronounced judgment on the very system that God had ordained. Historically, we can see his word was true. There is no temple, and there never will be a legitimate Levitical priesthood again!

I am sure the fake Ashkenaz Gentiles practicing an illegitimate form of Judaism in Israel today, may eventually create some New biblical form of old testament Judaism. It will be about as bogus as Christians giving them credibility based on the blood type of a man! A vastly overlooked part of the ministry of Christ is his open condemnation of corrupt, organized man-made religion.

The political church faces strong judgment and correction from God. If you are a Christian and do not see that the old testament temple and Judaism under the law were defective, then what in the world are you doing in the church? It is an abomination to Christ for political Christians, to believe that God is going to turn back the clock towards Israel and the animal sacrifices. **YOU ARE THE TEMPLE OF GOD.** Shame on you, old testament Israel was not an example of how a nation or a church should serve God.

Whenever you hear someone speaking about the moral problems of this nation, remember the nation Israel. They are not an example of a godly nation then and especially not now. How could anyone today expect a goat, a sheep, or even a red heifer to pay for their immoral sinful behavior? Only pagan forms of witchcraft still have animal sacrifices today. The sacrifices are equal to what took place in old testament Israel. God Himself abolished Sacrifices, Israel, the Temple, and the priesthood by the finished work of Christ at Calvary.

Heb 10:1-9

- 1 For the law, having a shadow of the good things to come, and not the very image of the things, can never with these same sacrifices, which they offer continually year by year, make those who approach perfect.
- 2 For then would they not have ceased to be offered? For the worshipers, once purified, would have had no more consciousness of sins.
- 3 But in those sacrifices, there is a reminder of sins every year.
- 4 For it is not possible that the blood of bulls and goats could take away sins.
- 5 Therefore, when He came into the world, He said: “Sacrifice and offering You did not desire, but a body You have prepared for Me.
- 6 In burnt offerings and sacrifices for sin, you had no pleasure.
- 7 Then I said, ‘Behold, I have come – in the volume of the Kingdom Message it is written of Me – to do Your will, O God.’”
- 8 Previously saying, “Sacrifice and offering, burnt offerings, and offerings for sin You did not desire, nor had pleasure in them” (which are offered according to the law),
- 9 then He said, “Behold, I have come to do Your will, O God.” He takes away the first that He may establish the second. (NKJV)

Judaism and those who attempt to practice it need to realize that you are practicing the most incomplete religion on the earth today. No other religion, not even satanic worship, leaves the worshiper more incomplete than illegal Judaism. Why? They talk about Moses and the Law, yet they do not have atonement for sin according to their own religious beliefs. They do not have all of the ordinances or observances, especially the ashes of the red heifer. That makes everything they do unclean, and completely rejected by the God, they think they know.

There has never been, and there never will be, a covenant with the one true God based on the blood type of a man. As it was for believing Abraham (the Gentile) so it will be for you a fake gentile Jew. Your only path to God is by faith and obedience in Christ. God started with a Gentile that related to him by faith.

If you are a Christian that relates to God by faith in Christ, you are the total fulfillment of the very reason old testament Israel existed. End of story!

There is nothing past that!

Foreskin no longer matters.

# Black Jesus

**American Black  
political christians**

**Are The **Worst** Example of Christ In The World!**

In this nation, with the many diverse cultures and races from all over the world, there will always be some manifestation of racism, discrimination, bigotry, and prejudice. Racism is not an isolated American problem; it is, and always will be, a worldwide fact of life. Since the beginning of time, it has not been possible to eradicate racism from the hearts of people. There are just too many different ethnic cultures and religions on the planet. The only way anyone can overcome racism will be on a personal individual basis. Every person that experiences racism can choose to respond in only two ways. In the spirit world, this is one of satan's favorite playgrounds. He loves to turn people infected by a racist into a racist. Are you his victim?

Everyone, be they Christian or not, who experiences racism, discrimination, bigotry, or prejudice and does not immediately forgive, will lose their life. If you do not forgive, the seeds of a racist will infect you for your entire life. Whatever the incident, the seeds that were sown by the racist, will wrap a deep bitterroot around your heart. Those roots will blind you spiritually, disconnect you from Christ, and choke the very life out of you. You will never get over the incident, and you will manifest the fruit of a racist yourself. The fruit of your life will be anger, hate, resentment, strife, contention, and rebellion against what the racist did to you. You will sow seeds of racism, discrimination, bigotry, and prejudice just like the racist. You will become a racist, against the racist, making you a bigot.

You have only two options in the Kingdom of God if you profess Christ. You must privately and wisely forgive the racist within your heart, to retain your own life. Or you will become a racist working for satan. If you are a racist, impregnated by a racist, I am going to abort your baby. It is going to hurt as I yank that bitterroot out of your heart. By the power of the Holy Spirit of TRUTH, when I am finished, you will see and hear again. You are going to snort, stomp, and shout at me, that's what black people do that are trapped in the hatred of racism. You think you know God, and you do not. God sent me to expose the evil root of racism in your heart, that is destroying your life. I am going to put your nasty black heart on the operating table by the Power of the Holy Spirit. If you are a child of God, you will hear what the Spirit of God is saying to you. When God is finished with you, we will join together to destroy the fruit of racism in this nation. You may die on the table that is a good thing.

Millions of blacks in this nation are pregnant with the seed of hatred by the racist. Therefore, they are racist. We also know that millions of people in this nation of every race, culture, and religious background have overcome racism, discrimination, and prejudice. There will always be racism, discrimination, and prejudice, and no amount of laws against racism can remove racism from an individual's heart. The world will never experience the euphoric meltdown of a box of crayons (sought by many) into one color, religion, and culture. Thank God! Sometimes I like Chinese food and other days I can go for Mexican or Italian.

I cannot imagine a world with the same bland food every day. God is so creative, and He allows us to learn from one another. It is not the racist; that's the problem. It's the way your heart responds to the racist. You can be prejudice and practice discrimination without the color of race being an issue. Denominationalized Christianity is nothing more than racism that practices prejudice and discrimination against one another based on the ignorance of each other's cultures.

For anyone to think that this nation, with the many ethnic nationalities and religions, would never exhibit any form of racism, is an absurd thought. There is not a single nation in the world today that could handle such a mixture of races, cultures, and religions better than this nation has done. I do not believe that a better system of government for this vast mix of races and cultures exists anywhere else. I honestly cannot comprehend any other form of government in the world that would offer so many opportunities to every race and religion. There is enough factual proof that many people from every ethnic culture have inherited life, liberty, and the pursuit of happiness. Why haven't you? Every race in this nation also has experienced prosperity, destroying any argument, that America is a racist nation.

No other government in the world has as many success stories or as many different races serving in its government. While there are forms of racism still favoring educated whites, it is also a fact that many individuals of every ethnic culture in this nation have "overcome" individual racism and bias.

While this nation is composed of every race in the world, only the original blacks on slave ships came to this country against their will. For centuries the black community has been the primary focus of most racism in this nation. Not a week goes by without some kind of a civil action, demonstration, or rioting and looting by the black community. Those pigs shot Tyrone. Blacks sound like a bunch of crybabies whining about injustice, discrimination, racism, prejudice, and bigotry. Most of their actions are a mirror of tribal Africa.

Since the rioting in the 60s to this present-day rioting, I would like to ask you how's that working out for you? Have you stopped racism? You will never eradicate racism from the world. You are an embarrassment to your race. Every time you display your bitterroot of an unforgiving heart, everyone sees and hears the racist anger in you, as you fuel the flames of hatred and rebellion into society. God is not happy with you. He has been judging you for generations, that's why you are living in the land of prosperity; in poverty. That is why you remain trapped in life.

It is obvious that the racist is still winning. We can see the manifestation of his fruit from your life. Your ugly, unforgiving heart keeps you trapped. The world sees the fruit sown into your heart by a racist, and the fact that in your ignorance, you are now a racist yourself. You are blind to your foolishness. Who is responsible for sowing these seeds of racial hatred?

There has never been another group of people in all of human history that has squandered as many opportunities from God as blacks in America. Blacks remain trapped in their own bitterness. They are festering sores and open wounds, "Whose mouths are full of cursing and bitterness. What is wrong with them? What is the real root of bitterness within the black community? I hear your evil thoughts about me because I speak the truth.

Without a doubt, even a casual observer can determine that blacks overall are full of animosity, bitterness, resentfulness, hate, and anger more than any other ethnic culture in this nation. What is so contradictory about blacks today are the millions around the world that would trade places with them in an instant. Grace, graciousness, humility, and peacefulness are not any of the attributes identified with the black community.

## Africa Today And American Blacks

While the manifestations of bitterness, hatred, anger, and resentment are obvious, we must ask ourselves, what is the real problem. Most of what we see and hear is merely the diseased leaves on the tree. What is wrong with a tree that would intentionally destroy its own fruit? If a tree continually produced bitter fruit, the problem would have to be within the root system of the tree. Cut it down. It is unfit for the Master's use.

Even when compared to the Vietnamese who left their country in fear of death by their own people, the Vietnamese have "overcome" poverty, education, and jobs more than the black community has done for themselves in the last 400 years. Vietnamese live at a higher level than the blacks and own more successful businesses. Mexicans, who have faced huge amounts of prejudice and social injustices outshine the entire black community in humility and gratefulness.

Historically many black ministers have always been politically active. Their quest for "Equal Rights" from the pulpit has perverted real Christianity to the black community. Christians are supposed to be servants and slaves within the theocracy of God's government regardless of color. Common sense would tell us that if you constantly press issues of racism, discrimination, and prejudice from the pulpit, you could never teach people how to be a bondservant of Christ. As I said earlier, the problem in this nation is not the message from the White House to your house that is out of order. It is the message from the "political unforgiving racist preacher" to your house that is out of order.

America's biggest political "Black Racists" are Rev. Jesse Jackson and Rev. Al Sharpton. Since Jesse and Al both profess Christianity as their faith, I am at liberty to address them according to scripture. When you listen and observe them, do you see Jesus? Nothing is more satanic or racially motivated than men claiming to be of God as they spew hatred into society. Driven by the bigotry of black pastors, Jesse and Al are void of the real fruit of Christ.

The term Reverend is a man-made religious term that cannot apply to their unbiblical irreverent behavior. Even a casual observer can understand that neither man can control their tongue.

It is for this reason that I will use them for a biblical perspective on slavery, racism, discrimination, and bigotry. Both men have never been about equal rights for the black community. They are motivated by one thing and that's to get black money. To get the money, they must sow seeds of hatred and discord into the hearts of blacks. If you don't understand black culture, everything is about money. Al and Jesse have not changed a single thing, but they have conned people out of a lot of money. Jesse and Al will show up everywhere there is a camera, sowing seeds of bitterness, hatred, anger, and strife in the hearts of millions of blacks and whites. They are empty clouds without water.

Jesse and Al were unfit for the master's use, and Christ rejected them. Not every one that says Lord, Lord, will enter the Kingdom. They will know this when they stand before Christ. The deceiver of the brethren, Satan, uses them to inject the hearts of blacks with racism. Jesse and Al would shout, "this is INJUSTICE," "this is RACIST behavior," as they fanned the flames in the black racist hearts that were already infected by prejudice. Their words fueled the hearer's hearts with more hatred and anger, which gives birth to looting and burning. Smart people don't burn down their neighborhoods. Nothing disrespects Christ more than taunting the ministers appointed by God. The police officer. Remember that if you hate the racist, you have become a racist.

Blacks have become the very thing they despised. Like a dog, they eat their own vomit and vomit again. Unforgiveness is why you remain trapped in poverty, and why you rob pillage and plunder each other. There is no respect among blacks; why does anyone find it strange that they disrespect all of society. They think society owes them something because their forefathers were slaves. It does not. God has turned your sin upon yourselves. What a disgrace it is to the black community when blacks are forced to live in fear behind bars within their community. Is that the fault of whitey or the policeman? No, it's you.

The world sees how evil you are because you hide from each other in fear. God left you to destroy yourselves and you don't realize why. Unless you forgive the racist in your heart, you will not be forgiven. I can hear your hatred for me for delivering the truth to your festering infected racist hearts.

Rev. Martin Luther King Jr. never addressed any of the bitterroot issues within the black community. His I have a dream speech – never became a reality. Black and white boys and girls are not holding hands across America. First, if that is even a possibility, the racist bitterroot living in the hearts of blacks must be removed. In the process of time, God sent Martin Luther King to break the chains of prejudicial discrimination out of America. We shall overcome – but what have you overcome. The right to eat at a lunch counter, ride a bus and use a bathroom. Other than that, nothing much has changed, look around black neighborhoods. There is still disheartening poverty, poor education, massive drug problems, off the chart crime, fatherless children, and higher unemployment in the black community than any other ethnic community in this nation. You are living in the land of opportunity, and God has His foot on your neck.

I'm not speaking to the Ray Crapps of the world. Ray was a friend of mine who lived in a black community behind bars on his home. He was worried about break-ins and car theft. There's a lot of dope in this neighborhood. Why are you living here Ray? Perhaps, you have heard of white flight. Whites who keep moving away from blacks, by home price and taxes. Ray, and blacks like him, became a thing known as black flight. When a black makes enough money, the first thing they will do is move into a safe white neighborhood, away from dangerous black neighborhoods. Glory to God, do you see what's happened Martin, all of that marching you did 60 years ago has finally paid off. A brother finally got some money, and the first thing he did was run away from blacks. In reality, you never overcome anything. God rewards hard work to the just and the unjust. There were free black slaves, who owned black slaves, over 200 years ago and they were more successful than you are today.

What should disturb the black community; is the false stereotyping and the lying illusions of black families by television advertising. What a rip off of reality. Why are blacks not speaking out about them? If blacks allow themselves to be painted with false illusions created by ad agencies, the real issues in the black community will never be addressed. Are you that desperate to bite into a lie? Watching the unrealistic advertisements on television, one would think that blacks have finally overcome, when they have not. It is a lie to you and your children.

Well over 50% of ALL black people receive government assistance. That is a disgusting number, that should make every black ashamed. Christian or not. Eighty percent of all shootings in the USA are by blacks. Does that sound like you have overcome? Black preachers need to solve the FEAR problems in black neighborhoods. Where is the power of Christ in their message that will take down the bars you live behind? Don't you realize you are already in jail? If you claim Jesus as the Lord of your life, and you take government assistance, YOU LIE. God will judge you. You live in a day of judgment because you desecrate the sacrifice of Christ. After reading this without repentance, watch what happens to the little bit of life you have. God says you tell two lies. You lie to the government, and you LIE about Jesus being the Lord of your life. This Kingdom Message will take the LIE out of your heart and life.

Black preachers are afraid to engage the fear problem because they are afraid to enter the black neighborhoods and work until fear is gone. Frankly, they don't know how to do it, and they don't care if you lie, cheat, and steal from the government. They would rather take your money and act like slave chicken gut preachers who ate the slaves Sunday dinner. BLACK Jesus is a dud. He is an unexploded bomb in the black community. With God, it is simple, serve God with your whole heart, or lie and serve the devil. God will never heal the black community because you lie. If black lives matter to you, do something besides shouting, protesting, and burning your black lives matter neighborhoods! Hypocrite! Words and phrases change nothing.

We shall overcome. Overcome what? Most blacks that were raised in poverty in the 1960s are still in the same poverty today. The stereotype of blacks by ad agencies is a lie. The ads are an illusion of a black flight that has never happened. Blacks are not living large, and they are not mingled together with white families, mulattos are not giving each other cars as gifts, neither are the executive black daddies buying space suits to amuse the little girl at home. Or the worst ad of all "someone burnt down my she SHED." It was your own people! You cannot make a black man look any more stupid than she does in that ad. Shame on the black preachers for not pointing out the hypocrisy of how television ads are being used to stereotype a wrong message to the children who live in the black community in poverty.

Black churches sell a version of Jesus that does not have the power to change the black community. If they did, the black community wouldn't be living behind bars in fear of one another, and 45% of all black families wouldn't be on food stamps. There is nothing more faithless and ungodly than that fact! You cannot claim Christ and have faith in the government. You are from a different Kingdom. I know all about how they skew statistical numbers preacher. Bring it on! Well over 50% of all black families are receiving some government aid. Does that sound like you have overcome?

**I Am Going To Use T.D. Jakes As An Example And A Warning  
To All Black Political Racist Preachers.**

How many sermons have you watched as T. D. Jakes bobbles around, like a windup toy sweating profusely waving his handkerchief? The community of South Dallas is worse today than when I first visited Turkey Dinner Jakes in 2001. He hid from me then; will you hide again? Crime in South Dallas is 115% above the national average, and the city of Dallas warns tourists not to go there. Tell me, Turkey Dinner, why do you live behind a gate? Are you just rich, or rich and afraid? Who do you think it is that questions you?

Does your black political gospel have the power of Christ to heal South Dallas? Why? Is your church just a cesspool for taking money and tithes from poor blacks? Why have you failed to expose the hearts of those who say they are of Christ, and take money from the government? It is a sin. Why do you condone their un-Christlike behavior? Takers will always lie, and deny the power of Christ as their sovereign provider? They are spots and blemishes feasting with believers, and denying the power of the Gospel of Christ? Remove the clouds without water. Purify the house of God! A little leaven, leaveneth. Tell me T.D. – do you like the tithes of government money? Did that corruption build the gates you live behind? Taking government money and accepting unbiblical tithes means you are the minister of a house that is full of liars and thieves. You are void of the power of God! Blacks can shout, twitch, and throw money at you. Is that all that you will have to offer God for your life on judgment day?

Why hasn't your sweating Jesus delivered the black community from the spirit of fear? Do you believe that God is going to pat you on the back and say, well-done bobblehead, that was a lot of sweat every Sunday? Lifeless untruthful words of vanity span your life. Why do you live behind bars feasting in the glory of mammon; while the black community lives behind bars in poverty and fear? Shame on you. God does not see you as the success you think you are. The church that you and mammon built by conning black people is a gaudy blemish on the real Bride of Christ. You make a grave mistake. Your perception of me is wrong. I am, who I say I am because God says I am. Who does your god say you are? You are the servant of mammon. Can you serve both?

Will you expose those who feast with you every Sunday saying they are of Christ, but you know they are liars? Those who say that they walk in the light but hate other believers are still in the dark. They claim to know God, but they deny him by what they do.

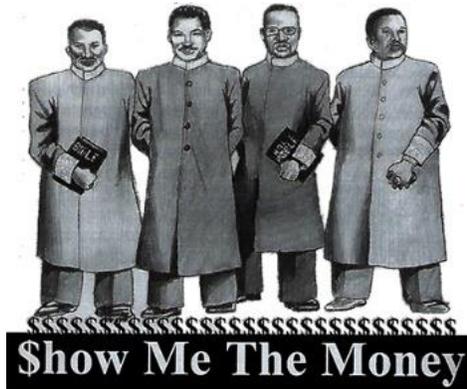

They are detestable, disobedient, and unfit to do anything good. Whoever says, "I know him," but does not do what he commands is a liar, and the truth is not in that person. This is how God's children and the Devil's children are distinguished. No person who fails to practice righteousness and to love his brother is from God.

Throw out everyone professing Jesus Christ is Lord, that is living on government assistance. Jesus is not the Lord of government assistance, and He does not LIE to get it. What's the matter Turkey Dinner, is your god too small to stand in the power of Christ and deliver the Message of Truth? For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple. Read this Proverbs 23 1-3. Is this you T.D.?

Stop hiding behind gates, and the flesh of your manmade pulpit. You are nothing special; God can raise even a man such as me. Like the Apostles, enter the streets and preach the Gospel to the drug dealers, the thieves, and the prostitutes SEVEN days a week. PROVE to yourself that God is with you. Shut down your bobble-headed preaching and fight poverty, lack, loneliness, families without fathers, roll up your sleeves and sweat for real in fear, because God is watching you. Or stay as you are; twitch, shake and wave your handkerchief. God will recompense you for your disobedience. Every time you reach what you believe is the pinnacle of your message, as the sweat begins to drip, the Holy Spirit will ask you, what are you doing?

The living words spoken to T.D., are for every black political preacher across this nation. It is not a day to play church; it is the judgment hour to be one. You are to bring real change to black people. You must become a living demonstration of the Gospel, not just another loud-mouthed proclamation telling useless stories. Tell the people the truth, or Christ will remove you. Teach the people that throwing money at the Bishop, is satanic, and proves they do not know God. The next time you let it happen, the Holy Spirit will smite you. Did people throw money at Jesus, or pin money on him? Why do you let the devil enter your house, and allow people to throw money at you? What are you doing, what is wrong with you? Break the curse! You are to stand up as a man of God and address the real problems in black neighborhoods. You cannot fix anything until you FIRST defeat the racist anti-Christ hearts, in those who say they know Christ. The gift of repentance and revelation will give healing.

There may be some true followers of Christ in the black church community; only God knows. If they are churches, most black churches are a cup of vanity, filled with a dirty drink of lifeless water. A place where most black people go on Sunday, not for Christ, but to show off to one another. Big hats, fancy clothes, and throwing money at the bishop. Twitch and tremble – shout Thank You, Jesus!

It's Showtime at the Apollo Church. Come and see the preacher sweat and catch his breath. Amen! Come and see the people stand and wave their hands. Amen! See the people move in the spirit and fall out. Amen! See the people go away unchanged. Amen! See the black communities remain the same. Amen! See the lowest S.A.T. scores year after year. Amen! See fatherless families more than any other race of people in the world. Amen! Come see Mr. Shuck, Mr. Jive, and Slick Willie go home with the money! They are nothing more than "spiritual dope" dealers. Buy Creflo Dollar, another Rolls Royce, or an airplane.

If the black church had a relevant word to the black community, there would be a change in the hearts of the people. If the black church had a relevant word, 75 percent of all children born in the black community would not be raised by grandparents or in a fatherless home. The message from the black preacher is so far from the Gospel of Christ; they are the reason the prisons are full of blacks. You shall know the tree by the fruit it bears. Yes, I believe there are some in prison that were falsely accused and convicted. Many races have been imprisoned falsely. I also believe that ninety-eight percent or more deserves to be in God's time out chair. Learn to shut up, give the officer your license, shut up, and say thanks officer, as you drive away. It does not matter if the officer is a racist. He is God's minister. When you shut up and say yes officer, and drive away, God will deal with his servants' heart. When your racist anger, clashes with the officers' racist anger, God does nothing. He cannot because you rebel against his authority. Even if it was a prejudicial stop, you must forgive, and retain your own life. Humble yourself, and stop being stupid.

Blacks will become angry at the biblical and historical facts I am about to show you. It is their nature to shout, stomp their foot, and burn their own neighborhood. What else is new? A bitter root can only produce bitter fruit! When will you understand that after all of your complaining and burning, you go home, and things are the same or worse! Servants of Christ will not display the racist behavior of bitterness and hatred. Especially from the black pulpit. Political black preachers are the nasty needles used by satan to infect the heart.

What I speak is the truth and without a lie. I do not speak from my own mind; I know what God has spoken to me. I make no apology for the truth. Truth is His own entity, and He will stand in His own power. He does not need a man to uphold Him as truth. He is the only cure for the bitter soul. The bitterness that has plagued the black community can be removed in one generation. It will require black leaders to repent, then to speak words of life and not death. Isn't it time for a change? Isn't it time to purchase honor and dignity instead of hatred and strife? You must learn how to privately and wisely forgive the racist within your heart, in order to retain your own life. That is not an option; choose life or death; the power is in your tongue.

### How Can We Bring Real Change?

#### Three Band-Aids

We must act like adults.

We must tell the children the truth.

We must teach the children to forgive.

## The First Band-Aid.

The Bible does not forbid slavery. Biblical Israel, more than any other race, has the largest amount of time spent in slavery. In many instances, God Himself put Old testament Israel into slavery. Even in the New Testament church, many Christians also owned slaves. The Apostles did not ask the slave owners to release the slaves. There were both Jew, as well as Gentile slave owners. Your racist heart thinks they were all blacks — shame on you.

The owners of slaves were told by the apostles to treat slaves fairly. Paul reminded slaves to be submissive to their masters even if they had a harsh non-believing master. Many slaves were born again believers and a part of the body of Christ worshiping in the church. They were bondservants to Christ, and their masters were not. Do you deny the word of God? Are you a slave of Christ?

I am about to touch the hypocrisy of your black racist foundation.

1 Pet 2:18

Servants be submissive to your masters with all fear, not only to the good and gentle, but also to the harsh.

Eph 6:9

10 And you, masters, do the same things to them, giving up threatening, knowing that your own Master also is in heaven, and there is no partiality with Him.

Titus 2:9-10

9 Exhort bondservants to be obedient to their own masters, to be well pleasing in all things, not answering back. [there goes your smart mouth to police authority if you are a racist Christian]

10 not pilfering, [stealing] but showing all good fidelity, that they may adorn the doctrine of God our Savior in all things.

The New Testament teaches that Christians and non-Christians owned slaves and that a slave can be free in his heart in Christ. Why are you in bondage and poverty? God did not and does not forbid slavery to this day! If you want to heal the black community, you must start by realizing that God had a bigger plan for you, when He permitted your ancestors to be sold away from Africa as slaves. In the very same way, that God delivered the children of Israel from Egyptian bondage, He delivered your ancestors from the African tribal slave traders. It was not the white honkey stealing blacks out of Africa. The difference? Israel only spent 40 years in the wilderness, and blacks have been there for over 400 years. I hear your racist heart. Must I remind you, slaves are free in Christ?

It was black tribal leaders who sold your ancestors as merchandise, and put them in chains.

You are not in chains, but you are still under the spiritual bondage controlled by satan because of your unforgiving heart. You believe many lies. You have never been put in chains and sold to anyone. You have never picked cotton on a slave plantation. No one owes you anything. You get nothing more than what the millions of slaves got that Moses led out of Egypt. God allowed them to become slaves. They were set free from slavery, but they failed to walk with God by faith. So God kept them from entering His promises and let them die in the wilderness.

For over 400 years, black Americans have been dying in the wilderness; because of the roots of bitterness and unforgiveness. Lest you forgive, you will not be forgiven. You cannot enter the Kingdom of Heaven. Do you think Jesus lies? If you are sitting in prison, God put you in the chains of slavery again, because of your lawless rebellion against God's ministers, and sin. You must get the racist out of your heart. If you profess Christianity, you cannot continue in racial hatred. If you do, you are void of the forgiveness of Christ and do not know Christ. Turn to Him, and he will set you free from your chains.

Black ministers who preach political racism, and speak on equal rights issues from the pulpit, are out of touch with the head of the Body of Christ. They have failed to teach the people how to become a bondservant of Christ, because of the prejudice, racism, and hatred that lives within their own heart.

The black racist political preachers cannot be of Christ. They are satans ministers sent to tear open wounds, incite, and infect sin sickened hearts. The festering political infection preached by black preachers is largely responsible for the bitter, self-destructive fruit; we see in the black community. They have trapped people in a cycle of self-destructive hatred that will continue to destroy them. The preachers are infected, so they infect. You are responsible for yourself. God will judge everyone individually

The free black community in the USA is nearly the same reflection we still see in Africa today. Blacks operate under a tribal mentality, just like the tribal slave leaders that sold them. Africa is dominated by groups that; Rob, Pillage, Rape, Machete, Boko Haram, Aids, Drugs, Poverty, Murder, Slavery, and Living In Squaller. You would think that with all of the preaching, massive evangelism, missionaries, feeding the children, schools, wells drilled, money, and the massive humanitarian efforts by the church that Africa would have changed. Africa is worse than ever. American blacks shout racist when they should be on their knees before God for setting them free from Africa. I find no scriptural bases where the curse of Ham has been removed; this may explain a lot of what we see in Africa and the American blacks that do not know Christ. Only in Christ is one made free. God is no respecter of persons. Galatians 3:28 "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus."

What tree would intentionally destroy its own fruit?

## The Second Band-Aid

Truth heals all wounds. Blacks must embrace and accept that their tribal leaders sold them into slavery. This is foundational, historical, and biblical truth. To continue to deny and accept this historical factual reality will only produce spiritual blindness and delay your deliverance. Most blacks believe that the white man forced them into slavery. Today Africa is still the largest slave trader in the world. Children are sold into slavery for work in factories, while women and young girls are sold for many obvious reasons.

All of the people that were sold and trapped in a life of early American slavery are long since dead. How is it, that only the American black community continues to fester in the disease of bitterness, hatred, and racial prejudice. Blacks are clueless about their own history. They have believed a lie, and the father of lies preaches partial truths, along with sad stories about slaves that are long since dead. Black people are void of black history, even though they have black history month.

#### HISTORICAL BLACK SLAVERY FACTS

- Brutal Black on Black slavery was common in Africa for thousands of years, and they are still the most brutal forced slave traders today. Africa is the only country in history that sold their own people into slavery as merchandise. God sent gentile Jews into slavery because of disobedience, but he never sold them as merchandise. Africans are still selling its people into slavery and taking them as slaves.
- Slave traders from many countries set up bases along the west African coast where they purchased slaves from African tribal leaders.
- Muslims owned large amounts of black slaves 600 years before European trade happened. Ashkenazi gentile American Jews were huge importers of black slaves, operating more than 15 slave ships.
- FREE BLACK slaveholders in the USA were blacks dealing in the slave trade. They bought and sold blacks in the original 13 states and later in every state that allowed slave ownership.
- Black slave ownership ratios. FREE black slave owners in South Carolina were at 43 percent, 40 percent in Louisiana, 26 percent in Mississippi, 25 percent in Alabama, and 20 percent in Georgia.
- Anthony Johnson, a Black tobacco farmer from Virginia, owned 5 slaves and took one of his slaves to court in 1654. He won the right to make John Casor his servant for life. **That case** was the first legal sanctions by a court defending the rights of a slave owner to make a man a slave for the rest of his life. If you are black, perhaps this was the first black on black crime.
- William Ellison, a black man, was a very wealthy black plantation owner who lived in South Carolina in 1860; he owned 63 slaves. There were 171 Black slave owners in South Carolina alone, and William was the largest. Ellison was wealthier than nine out of 10 white people in South Carolina. Not one of his slaves was allowed to purchase his or her own freedom.
- American Indians owned around 5,000 black slaves
- An 1830 census validated that 3,775 FREE BLACKS owned 12,760 black slaves.

Do you think they were helping blacks? A free black in Trimble County, Kentucky" ... sold his own son and daughter to the south, one for \$1,000, the other for \$1,200." ... A Maryland father sold his slave children to purchase his wife. A Columbus, Georgia, black woman — Dilsey Pope — owned her husband. "He offended her in some way, and she sold him ... " Fanny Canady of Louisville, Kentucky, owned her husband Jim — a drunken cobbler — whom she threatened to "sell down the river." At New Bern, North Carolina, a free black wife, and son purchased their slave husband-father. When the newly bought father criticized his son, the son sold him to a slave trader. The son boasted afterward that "the old man had been sold to the cornfields about New Orleans where they might learn him some manners."

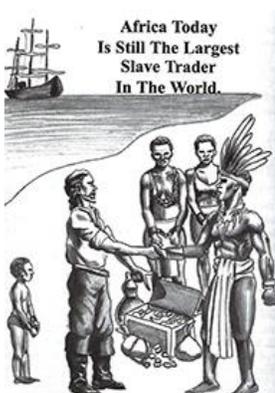

Few people realize that there were prolific black slave traders in this nation in the north and south. New York and Rhode Island were huge slave terminals. No, I am not going to do your homework for you. Look it up for yourself; you have received too many free rides already. Get your dignity back, get off of food stamps and welfare.

Where is the black family that will help you? Take a look behind the other bars in your neighborhood. They are hiding in fear behind them, like you. Aren't you ashamed that after 400 years, you are trapped in the same chains as your forefathers? Lazy whining hypocrites! God put you in a free nation where slaves got off the boat as slaves in the 1600s, and they became more prosperous than you, over 400 years ago, and they owned slaves.

You will believe a lie until it is revealed to you that it was a lie. We must learn not to relate based on color but on the simplicity that we are all a part of humanity. Stop making your race a color issue. While I know nothing about what it would be like to be a slave on a cotton plantation in Alabama at the inception of slavery, I can assure you that there is not a single black in this nation today that knows what that would be like either. Why do you choose to fester in the resentment and bitterness of the past? You were not there. Forgiveness is the Crown of Christ, whose child, are YOU? Why are you whining about something that never happened to you?

I must also admit that I am incapable of understanding the deep feelings associated with discrimination and prejudice. There are many blacks in this nation that are extremely familiar with racism, bigotry, and discrimination at a much deeper level than I will ever be. That does not mean that I do not know that a fire is hot, and discrimination or prejudice has never burned me. Having grown up in a poor white family in a mixed black neighborhood, I experienced my fair share of discrimination from whites. Many who knew me liked me until they found out where I lived.

Most white people are discriminatory and prejudice against blacks today because of their bitter, hateful, resentful, "you owe me" attitudes. Much of the discrimination and prejudice that blacks experience from whites has absolutely nothing to do with the color of their skin. It has to do with attitude. It's time for you to get over it and go on.

### The Third Band-Aid

While slavery is biblical, God chose to remove slavery in this nation by law. In the fullness of time, God moved upon the hearts of HIS governmental leaders to bring an end to slavery. Hundreds of thousands of white men died fighting to end slavery. Injustice! Those men died for what they saw as injustice. Most blacks today have been sold the belief that their family was enslaved by Johnny Rebel, the white slave beating plantation owner. Blame it on the white cracker; he did it. As we have seen, that is a part of the picture. The biggest part, being the tribal leaders of Africa who sold your ancestors.

The black communities in their overall racial prejudice and discriminatory categorization "that all whites are racist" dismiss the historical facts. While there were white slave owners, some were good, and some were bad. However, many more whites died to end slavery than there ever were slave owners, good and bad combined.

Often you will hear remarks by political blacks, that America is a racist nation. America is probably the least racist nation in the world. Don't buy into the lie that America is racist. It took America less than 100 years to rid herself of the hypocrisy between what was written in the Constitution that; "all men are created equal," and what was actually a reality in the lives of the people. There is still no other nation in the world that has endeavored to make that a reality for everyone. It would serve everyone well if we would each realize that America is still on a journey.

## The “N”eosporin of Truth!

You must apply the “N” word, the Neosporin of Truth, to each Band-Aid in order to receive healing from your festering wounds. If you do not, you will remain trapped in your racial hatred and bigotry. When you learn how to privately and wisely forgive, the racist within your own heart, God will heal you.

If you want people to stop using the other “N” word, then quit calling each other nigger in your music and in your comedy routines. It is not okay, or a black privilege to insult your forefathers. You sound like an African tribal leader selling his own people into slavery. “Take this nigger; he’s not your common nigger.” It’s not pretty when you piss insults on the graves of slaves – when you are no longer a slave. I use the word PISS, and not the word urinate, because the word urinate is to clean for your vile demonic behavior. No other race that I am aware of spiritually pisses insults on the graves of their forefathers. Shame on you! Martin Luther King would not smile at your shameful sins.

Fill a stadium with one million of your forefathers that God delivered from Africa. Stand on your stage. Look at them as they are seated fresh off of the boat and ready to sell. They are locked in chains around their wrists, necks, and ankles. Can you see the marks of correction beaten into their bodies? The seats are filled, and they are all waiting in fear, looking at you. Now, I want to hear you sing your insulting, dehumanizing rap Crap to them using nigger this, or nigger that. The comedians are next. Go ahead, look them in the eyes, tell your nigger jokes to your forefathers. PISS on their graves and your heritage. Tell me the expression you see on their faces. How far has your race fallen from God? Far enough that you cannot see or hear Him.

Maybe you will hear God today.

I understand that you hate the words of truth that I speak. God sent me to pull the bitterroot out of your heart. It is your racist nature to deny the truth. The roots of hatred and bitterness are entrenched deep within your evil black heart. You think I lie. I do not lie, and they are not my words. It is Christ who sent me to pull the beam from your eyes, and the lies from your heart that you believe. If you refuse to hear or see the truth, he will leave you blind and deaf.

I expect that Jesse, Al, and every other individual who thinks he is a leader of the black community to speak loud and negative against my words. I expect the black churches to respond without humility or repentance. I am sure they each will manifest the fruit of anger, hatred, arrogance, and strife, exposing that racism is alive and well within themselves. I make no apologies for what the Spirit of Truth has given to me. Like a dog barking without a purpose, they will continue to speak words of death to the black community. They do this because they see your sore. Instead of seeking God for your healing, they rip the scab from your festering wound, working as an enemy of your soul.

Romans 3:13-18

13 “Their throat is an open tomb; with their tongues they have practiced”; “The poison of asps is under their lips”;

14 “Whose mouth is full of cursing and bitterness.”

15 “Their feet are swift to shed blood;

16 Destruction and misery are in their ways;

17 And the way of peace they have not known.”

18 “There is no fear of God before their eyes.” (NKJV)

I have sought God for you, and He has spoken words of life to you about how to change and retain your life. God desires to come and heal your heart and the black community. Unlike these echoes of other men, I was called by God to be a voice to a desperate generation. There is a clear word from God for you in this Kingdom Message.

Let me WARN you. In my personal experiences with God, there is always a warning associated with restoration by God. No amount of government programs or laws will ever do for the black community that God desires to do for you. You must rend your hearts and not your garments in anger.

Unless you turn from your ways

God will continue to withhold healing to the black community until they repent. Poverty, drugs, unemployment, and poor education will continue to be your inheritance. Mothers and fathers have sown hatred, racial prejudice, and violence in the hearts of their own children without a cause. STOP IT! STOP IT! REPENT! REPENT! Teach your children to be grateful that God removed them from the African nation that is still full of poverty and slavery even today.

Tell your children the truth. Tell them God had a plan. Tell them that tribal leaders in Africa sold their forefathers into slavery. Tell your children that Africa is still selling children into slavery to this very day. Tell them they are not slaves, but many people have been slaves for thousands of years. Tell them to be grateful that God has put them in a nation where slavery was finally forbidden. Teach them to remove hatred from their hearts, and healing will come. Teach them how to walk in humility and integrity, and God will drive back the devourer (of the family), the locust (of drugs), and the cankerworm of poverty.

Warn them that God will not honor their rebellion. Warn them that burning, looting, and rioting will never drive away racism, discrimination, or prejudice. Black children think it is fun to rob and riot for any reason. You cannot disrespect God’s appointed ministers. It is time to make peace.

You disgrace your forefathers when the world watches you on TV with shopping carts looting and disrespecting God's ministers. Yes, you get pulled over more often, because your race commits more violent crimes and rapes just like Africa. Chicago looks more like Africa every day.

The poverty, the drugs, and the unemployment will remain unless you repent. You will live in fear behind bars in your own home. Forgiveness is the only gift from God that will heal your community. In graciousness, God desires to bless you if you will only repent and turn from the error of your way. Give thanks to God every day for removing you from a nation that would have sold your sons and daughters into slavery today. My prayer is that God will grant your sin and rebellion the gift of repentance.

May God have mercy upon your souls.

In closing

### Judgment Is Coming For Political Christians

My heart is disturbed for your soul. I have wrestled with all of my heart by the Spirit of God to turn you from your wicked ways. I am going to ask you to pray with me. But first, I would like to address the majority of my comments to those who say they are Christians. I have a word for you from God. This Kingdom Message is especially a dangerous warning from God to the political Christians. I am not sure you will be redeemed.

Anyone that follows the false prosperity gospels of giving to get, and the lie of tithing, you are to run from that place. If you practice the "religious" traditions of man, you are spiritually dead, even though you breathe. Get up and walk away, never go back. You are better staying at home; God will come to you there. I do not speak from my own resources. As with every word from God, there is also a warning.

While many of you see that morality in the nation and the world appears to be on a decline, you do not express the heart of God when you speak. We have seen that without a doubt that the problem is in the church house and not in society or the government. If you have any biblical understanding at all, you know that Jesus died for the sins of the whole world. It is finished! God is not coming to judge this nation or any other nation. God is coming to judge his children. Judgment began at the house of God years ago.

If you look at every judgment God administered to old testament Israel, you will understand what I mean. They were His children. God did not judge the other nations for serving false gods. He judged His children. When they were after other gods, He judged them. When they went whoring, He judged them. When they failed to walk by faith, He judged them. If you think the King of Heaven will be made a hypocrite, you are sadly mistaken. He will judge you more harshly than old testament Israel. His judgment does not slumber as you think, your condemning mouth will be judged.

While many false preachers speak today, telling the children of God that revival is coming to the church, they LIE, there will be none. The Lord God Almighty is coming, and His face is full of fury! Every false teacher will be judged for the smallest lie and beaten by the Spirit of God as a public heretic. Every Evangelist that cons the children of God will be stripped naked and made destitute. Every prosperity preacher will be judged by fire. Every false prophet will be judged, exposed, and smitten by wrath. Everyone claiming to be an Apostle of Christ is a liar; they will be smitten by the rod of God and perish. Every pastor taking tithes from the children of God will be judged harshly and left destitute. Every man asking for money to do God's work will be judged in blasphemy. Every television channel preaching and teaching false doctrines of devils, and merchandising Christ to the world, will perish into everlasting fire.

Every vanity of man's religious tradition will be exposed and judged by the light of fire, from the Son of God. No one will escape the soon visitation of the Lord. Not you.

You are His children. Hear what the Spirit is saying to you. The real children of Israel in the old testament were given to you for an example for you to learn. You have not learned, nor have you heeded the voice of the Holy Spirit. Now you will learn, repent, or become an example.

The Father has only one way for humanity to exchange immorality for morality. There is still only one way that a wicked heart can be made moral, and that is, on its knees in personal repentance before God. There is no other channel; there is not one other effort by man anywhere that has the power to bring about real moral change within the heart. Other than full repentance before a Holy God. Let those who are wise agree. Get on your knees and pray with me. If you hesitate, no repentance will be given to you.

Father, forgive me. I have sinned against you. I am ashamed of the evils I see in my heart and soul. I fought against your Kingdom. I will not act lawless against your Kingdom again. Please do not cast me out of your Marvelous Kingdom. I walked in rebellion against you because my heart was blinded by my carnal anger. I spoke against those that you died to redeem. My life is covered in shame because the words in my life have wounded many. I wounded the lost of the world, the people you came and died to redeem. I am not the redeemer of souls you are. I am guilty of hatred, violence, and I disesteemed those that you love. My mouth has accused the innocent and blasphemed the sinner. I have sown wounds into the hearts of many. I made a disgraceful spectacle of myself and Christ to the entire world. My sins are over my head so much that the heaviness of my heart is drowning my soul with death. There is no light shining from me. Mercy, please have mercy. Please forgive my wickedness. Wash me in the only redeeming, cleansing blood of Christ where forgiveness for the soul is found. Stand me upright and place my feet on the path of forgiveness, humility, and love for all mankind and I will serve you all the days of my life. I ask that you turn me not away, in the forgiveness that lives with Jesus Christ.

If God forgave you

You are to stand and open your mouth, warning every person that you know who are trapped in politics and Christ. Seek forgiveness from those you have offended. Send this Kingdom Message to everyone you know trapped in Politics and Christ. Your life from this day has a purpose. You are to be an open confrontation to every political christian organization, and you are called to shut the mouth of the political preacher. Never sit and remain silent when you hear the lie. Fear not man, God is with you. If you fail to fight back against the evil kingdom of satan and his illusion and you remain silent – your candle will be blown out.
